Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **End of Days** James Swanson,2013-11-12 In End of Days James L Swanson the New York Times bestselling author of Manhunt The 12 Day Chase for Lincoln s Killer brings to life the minute by minute details of the JFK assassination from the Kennedys arrival in Texas through the shooting in Dealey Plaza and the shocking aftermath that continues to reverberate in our national consciousness fifty years later The assassination of John F Kennedy on November 22 1963 has been the subject of enduring debate speculation and numerous conspiracy theories but Swanson s absorbing and complete account follows the event hour by hour from the moment Lee Harvey Oswald conceived of the crime three days before its execution to his own murder two days later at a Dallas Police precinct at the hands of Jack Ruby a two bit nightclub owner Based on sweeping research never before collected so powerfully in a single volume and illustrated with photographs End of Days distills Kennedy s assassination into a pulse pounding thriller that is sure to become the definitive popular account of this historic crime for years to come **The John F. Kennedy Assassination** Stuart A. Kallen,2009-05-01 This book offers step by step explanations of the scientific processes used to collect and examine evidence in the investigation into the assassination of John F Kennedy Students will be fascinated by how the tiniest bit of evidence can be used to solve the most puzzling

mysteries Includes sidebars containing first person accounts of that fateful day in Dallas A fact versus fiction section helps students focus on salient details The JFK Assassination Debates Michael L. Kurtz, 2006-11-08 Who killed JFK Ever since that fateful day in Dallas theories about President Kennedy s murder have proliferated running the gamut from the official lone gunman verdict to both serious and utterly screwball conspiracy theories Michael Kurtz a distinguished historian who has plumbed every crevice of this controversial case for more than thirty years now sums up and critiques four decades of debate while also offering provocative new perspectives Kurtz presents an objective accounting of what we actually know and don t know about the assassination underlining both the logic and the limitations of the major theories about the case He then offers unique interpretations of the physical and forensic evidence and of existing areas of controversy leading him to new conclusions that readers will find hard to dismiss Kurtz shows how the official investigation s egregious mishandling of the crime scene evidence related to virtually every aspect of the case is largely responsible for the lone gunman conspiracy schism that confronts us today Those responsible for that investigation including the Dallas police the FBI and the Warren Commission failed so miserably in their efforts that they would have been laughed off the air if they had been portrayed on any of TV s popular CSI series One of the few experts writing on the subject who actually met Oswald Kurtz also provides new information about the accused assassin s activities around the time of the assassination and about his double life analyzing Oswald s ties to the intelligence community to organized crime and to both anti and pro Castro Cuban activists Mustering extraordinary documentation including exclusive interviews with key figures and extensive materials declassified by the Assassination Records Review Board he both confirms and alters much previous speculation about Oswald and other aspects of the case Who really killed JFK Forty years later most Americans still feel they don t know the truth and that their own government isn t telling them the whole story This book offers a corrective to even the most recent final verdicts and establishes a sound baseline for future research
