The Last Chance Hotel Nicki Thornton, 2019-05-28 Readers looking for an enchanting read, a story of overcoming the odds or a tale of suspense will love this traditional Agatha Christie who-dun-it mystery. Matched and raised by a hint of magic, Seth is a kitchen boy at the remote Last Chance Hotel. His father has long ago left, leaving him imprisoned until he is old enough to set out on his own. If there's any hope he has, it's to be the greatest chef that ever lived, just like his father. One night a band of magicians begin to arrive to participate in a secret meeting, a Prospect Selection Procedure to determine the most talented magicians in the world, judged by their leader Dr Thallionius. Seth has one task: to make Dr Thallionius the greatest dessert he's ever tasted. Then maybe he will help Seth find a way to freedom. But when the doors to the private meeting open and Dr Thallionius lies dead on the floor, the group blames the dessert, which means that it's Seth who will pay the price. But Seth knows he's innocent and only has so much time to eliminate each suspect and prove his innocence.

Tonight though, Holiday comes home injured and his partners aren't sure the mission's worth his life. Caution: this story also contains lasagna, superhero theatrics, home renovation, a thunderstorm and very enjoyable use of superpowers in bed.

philosopher Jean Paul Sartre 1905-80 are widely perceived to have little in common beyond their canonical status. However, responding to Sartre's often overlooked fascination with Hugo Bradley Stephens cuts through generic divisions to argue that significant parallels between the two writers have been neglected. Stephens argues that both Hugo and Sartre engage with human beings in distinctly non-ontological terms, thereby anticipating postmodernist approaches to human experience. From different origins but towards similar realisations, they expose the indeterminate human condition as at once release and restriction. These writers insist that liberty is not simply a political ideal but an existential condition which engages human endeavour as a dynamic rather than definitive mode of being. This incisive new book affirms the ongoing relevance of the two most iconic French writers of the modern period to contemporary discourse on what it means to be free. *The Smurfs Anthology Vol. 5* Peyo, 2024-09-03 Smurf vs Smurf and Smurf Soup get the Anthology treatment. While Papa Smurf works in his laboratory, two Smurfs begin arguing about the proper use of the word smurf. Smurfs that live in the northern part of the village use it as a verb, as in bottle smurfer, while the southerners use it as a noun, as in smurf opener. Without Papa Smurf around to calm things down, the argument quickly escalates until the northern and southern smurfs divide themselves along the village lines. Plus, another never-before-seen Johan Peewit comic featuring the Smurfs. Crossroad of Desire Mitchell J Raab, 2023-12-04 When a disturbance threatens to destroy the dream realm, Thomas and Lyra are tasked with finding its source. As they battle twisted creatures and fight against the sorcerer's dark magic, they realize his ultimate goal is to control the dream realm. With fierce determination and their magic crackling in the air, they overpower him and send him hurtling into his own vortex. But their victory is short-lived as Cassandra warns them of future threats. Together, they vow to protect the dream realm from any who would seek to control it again. On their journey, they encounter a group of lost travelers who could bring harm to their world. To ensure its safety, Thomas, Lyra, and Cassandra erase the travelers' memories of ever setting foot in the dream realm. As vigilant protectors, they continue to defend the dream realm against any threat. Nothing will ever be able to threaten its safety again as long as they live and stand as its guardians and champions. **Souli The Yang Prince of Wazizi** OLIVIER ARISTIDE KOFFI ATTIE, In Harmony Across Realms The Epic Saga of Souli Wazizi and the Cosmic Symphony embark on a breathtaking journey through the mystical kingdom of Wazizi, where the destiny of a prince named Souli unfolds against the backdrop of a cosmic tapestry.
