**Poetry** Brian Vickers, 1989 Back in print after 17 years this is a concise history of rhetoric as it relates to structure genre and style with special reference to English literature and literary criticism from Ancient Greece to the end of the 18th century

The core of the book is a quite original argument that the figures of rhetoric were not mere mechanical devices were not as many believed a nuisance a quite sterile appendage to rhetoric to which unaccountably teachers pupils and writers all over the world devoted much labor for over 2 000 years Rather Vickers demonstrates rhetoric was a stylized representation of language and human feelings Vickers supplements his argument through analyses of the rhetorical and emotional structure of four Renaissance poems He also defines 16 of the most common figures of rhetoric citing examples from the classics the Bible and major English poets from Chaucer to Pope     Sir Philip Sidney Philip Sidney, 1994 Born in 1554 Sir Philip Sidney

was hailed as the perfect Renaissance patron soldier soldier lover and courtier but it was only after his untimely death at the age of thirty two that his literary achievements were truly recognized This collection includes supplementary texts such as his letters and the numerous elegies which appeared after his death help illustrate the wide spectrum of his achievements and the admiration he inspired in his contemporaries     The Cambridge Paperback Guide to Literature in English Ian
