Disorderly Sisters Leila Silvana May,2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth-century middle-class sensibility, but almost all critical analyses to date have concentrated on the vertical pole of the familial axis: the parent-child relationship and very little on the horizontal pole: the sibling bond. This book looks beyond these analyses to show that at the core of nineteenth-century domestic ideology is the figure of the sister. **BOOK JACKET**

Sisters Gladys M. Randolph,2013-07-25 Our sister is our partner in crime, our midnight companion, someone who knows when you are smiling even in the dark. She is our teacher, our defense attorney, our personal press agent, even our shrink. **Sisters of My Heart** Ann Blaine,2005-10 *Sisters of My Heart* explores the deep bond of love that three sisters form after the death of their mother in a horrific car accident. Alexandra is the mother figure to her two sisters, but every girl has a dream. Alex dreams of a career far removed from the cares of raising a family until she meets Tom McNeil. Ruesha dreams of serving a mission for the church, but when the man she loves proposes, can she sacrifice her dream for him? Elizabeth marries the man she has loved since childhood, but her dream turns to ashes when she discovers that he is an abusive alcoholic incapable of committing to her and their family. Three sisters form a tight circle of support and protection, but will it be enough when catastrophe strikes again? Can their faith in God and in each other survive, or will they be torn apart by the fears they must face together?

A Reason to Dream P. L. Byers,2015-11-21 Brenna Harris was a nurturer at heart. Having lost her sister at a young age, then having to watch her parents' marriage fall apart, she quickly learned that it was up to her to take on the responsibility to care for and protect the people around her. Grant Warner preferred a solitary existence. As a police detective, he often found himself sitting in his car, watching a suspect or going undercover with only himself as company. After the falling out, he had with his family, the solitude suited him. He didn't need nor did he want the responsibility of having to make anyone else happy. Then one fateful day while working undercover to solve a murder case, Grant watched helplessly as a beautiful stranger stepped forward to protect him, putting her own life at risk. From that moment on, their lives became inherently entwined. As Grant works with his department to help solve a series of murders, he fights equally hard against his attraction to Brenna. When she comes under threat from some unknown assailant, he has no choice but to step in to protect her. As much as he wants her safe, being with her goes against the self-imposed singular existence that he prefers. Can Brenna show Grant that a life with her is worth the risk? Will Grant allow her in, or will he walk away from her like he did his own family?

A Reason to Hope P. L. Byers,2015-11-23 Madison Bowman had a wonderful family and two best friends that meant everything to her. She was

working hard in the world of fashion hoping to someday become the newest and most influential designer in the field Then one day in a chance meeting Maddy met the one man she knew she was destined to be with Zander Cole had his life mapped out Losing his father at a young age and helping his mother through the ordeal taught him many lessons The most important one was that it was best to not get involved in a relationship that would require more than he was willing to give Then one day Maddy appeared on his horizon and he couldn't seem to get the feisty auburn haired woman out of his mind Realizing he was wasting time denying his attraction Zander decided he needed to face his fears and talk to Maddy Unfortunately things didn't go as planned and he stood helplessly by as the woman he loved ran out the door Knowing he needed to give her space Zander waited patiently until he learned that she was involved in a tragic accident and he rushed to be with her Not sure if she'd recover he stayed by her side hoping and praying for her to get well Maddy was touched that he was there but uncertain whether his presence was truly out of love as he says or misplaced guilt as she suspects Can Zander convince Maddy that his love is true More importantly will Maddy take that next step in their relationship and place her heart and soul in his keeping
