THE following papers, with two exceptions, were written in England and formed but part of an intended series for which I had made notes and memorandums. Before I could mature a plan, however, circumstances compelled me to send them piecemeal to the United States, where they were published from time to time in portions or numbers. It was not my intention to publish them in England, being conscious that much of their contents could be interesting only to American readers, and in truth being deterred by the severity with which American productions had been treated by the British press. By the time the contents of the first volume had appeared in this

occasional manner they began to find their way across the Atlantic and to be inserted with many kind encomiums in the London Literary Gazette It was said also that a London bookseller intended to publish them in a collective form I determined therefore to bring them forward myself that they might at least have the benefit of my superintendence and revision I accordingly took the printed numbers which I had received from the United States to Mr John Murray the eminent publisher from whom I had already received friendly attentions and left them with him for examination informing him that should he be inclined to bring them before the public I had materials enough on hand for a second volume Several days having elapsed without any communication from Mr Murray I addressed a note to him in which I construed his silence into a tacit rejection of my work and begged that the numbers I had left with him might be returned to me The following was his reply      **The Sketch-Book of Geoffrey Crayon, Gent** Washington Irving, 2013-10-10 In this American classic Ichabod Crane is sent to Sleepy Hollow to investigate the decapitations of three people with the culprit being the legendary ghost known as the Headless Horseman Apart from Rip Van Winkle and The Legend of Sleepy Hollow both of which made The Sketch Book famous other stories include Roscoe The Broken Heart A Royal Poet and Little Britain
