Communication Skills For Midwives: Challenges In Everyday Practice England, Carole, Morgan,

Ransolina, 2012-09-01 This book is easy to read and has relevant content for student midwives with inclusion of reflective activities which are clear and appropriate I particularly like the vignettes which are relevant and explore the challenges that midwives face The script like format of these adds a further layer to the narratives and the inclusion of non verbal communication as well is excellent This will be an essential text for all student midwives Mary Beadle Midwifery Lecturer Faculty of Health and Social Care University of Hull UK Communication Skills for Midwives is a unique book that focuses not only on fundamental communication issues but goes much further by including the many difficult and tricky issues experienced within contemporary midwifery practice This much needed text provides detailed and comprehensive information which is reinforced by illustrations vignettes and activities that engage the reader from the beginning This is an excellent resource for students practitioners and educators Nicky Clark Lead Midwife for Education University of Hull UK This book covers many poignant examples of difficult and challenging communication that midwives face in everyday practice It covers both every day aspects of care such as facilitating choice and less common experiences like responding to domestic violence This book is unique and would be good bedtime reading for any midwife Tandy Deane Grey Senior Midwifery Lecturer University of Hertfordshire UK This comprehensive and reader friendly text utilises a variety of strategies to aid understanding and application to practice Each chapter has clear aims to address a challenging situation that readers will readily identify with and provides an excellent mix of vignettes reflective activities text and diagrams to support the development of knowledge and skills Heather Passmore Senior Lecturer UCS UK This is the first book on communication skills to explore the more challenging contexts and circumstances that midwives encounter in practice As these occur infrequently and often unexpectedly in the daily practice of many midwives they may find it difficult to communicate effectively to alleviate the situation Knowing what to say and how to say it is part of this dilemma The book uses case vignettes reflective questions illustrations tools and techniques to provide the evidence base needed to cope effectively in a

range of situations by offering support to enhance your communication skills Communication Skills for Midwives explores challenges relating to Negotiating with others within inter professional and inter agency teams Working with minority groups Breaking significant news when labour threatens the life of a baby Telling parents that their baby has an abnormality Coping with loss and bereavement Addressing issues of domestic abuse Importantly the book provides information on how thoughts and feelings may be expressed both through body language and in words Taking a practical and problem solving approach the book will help you to enhance your learning and improve interaction with your colleagues the women you care for and their families

Normal Midwifery Practice Sam Chenery-Morris, Moira McLean, 2012-10-10 For new students the language and concepts of midwifery care can at first be daunting This book helps students to understand the expectations of midwifery training in relation to normal midwifery practice It covers the basics of midwifery care including professional practice frameworks informing midwifery care key concepts and philosophies of care communication and care skills antenatal care normal labour and birth postnatal care neonatal care and breastfeeding as well as a brief introduction to medicines management in normal midwifery care The book is designed to work alongside first taught modules in midwifery and underpin training in subsequent years

Professional Ethics in Midwifery Practice Illysa Foster, Jon Lasser (PhD.), 2011 Why ethics for midwives Existing ethical codes guidelines and value statements Privacy and confidentiality Informed consent choice Who is the client Multiple relationships Scope of practice and competence Working with other professionals Client non compliance and termination of care Diversity equity and justice Addressing ethical concerns Ethical thinking caring and decision making

Empowering Decision-Making in Midwifery Elaine Jefford, Julie Jomeen, 2019-08-29 Decision making pervades all aspects of midwifery practice across the world Midwifery is informed by a number of decision making theories but it is sometimes difficult to marry these theories with practice This book provides a comprehensive exploration of decision making for midwives irrespective of where in the world they practice or in which model of care The first part critically reviews decision making theories including the Enhancing Decision making Assessment in Midwifery EDAM tool and their relevance to midwifery It explores the links between midwifery governance including professional regulation and the law risk and safety and decision making as well as how critical thinking and reflection are essential elements of decision making It then goes on to present a number of diverse case studies demonstrating how they interrelate to and impact upon optimal midwifery decision making Each chapter presents examples that show how the theory translates into practice and includes activities to reinforce learning points Bringing together a diverse range of contributors this volume will be essential reading for midwifery students practising midwives and midwifery academics

Theory for Midwifery Practice Rosamund Bryar, Marlene Sinclair, 2011-04-19 This new edition of a highly regarded classic midwifery text encourages critical thinking about the art and science of midwifery Promoting the idea that thinking directly affects practice it offers a clear explanation of the concepts theories and models that shape effective evidence informed care for women This

insightful book challenges the reader to reconsider the knowledge at the heart of your own midwifery practice It is the essential text on midwifery s growing theoretical framework for students and practitioners alike New to this Edition Extensively updated and reworked edited collection New exercises undergraduate and postgraduate specific activities highlight the significance of the theoretical framework to everyday practice **Aspects of Midwifery Practice** Jo Alexander,Valerie Levy,Sarah Roch,1995-11-11 This fifth volume in the immensely popular series introduces new topics of Midwifery Practice and revisits some topics already discussed in previous volumes The accessible chapter structure remains the same and a broad range of research themes are presented across the three stages of midwifery practice The guiding philosophy behind this series is to present research topics within the context of clinical practice and in this volume the editors have put together a subject range which will be of interest to all practicing midwives and students

Decision-Making in Midwifery Practice Maureen D. Raynor,Jayne E. Marshall,Amanda Sullivan,2005-06-01 The book looks at a broad perspective of decision making and each chapter focuses on a specific aspect related to making crucial decisions Following an initial introduction the book explores the concept of autonomy and the many factors that influence autonomous practise The role of knowledge in decision making using evidence to inform decisions as well as different approaches to decision making are also examined including the traditional or rational approach decision analysis and the development of professional judgement Dilemmas arise when decisions are made and therefore ethical decision making is an important component of this book Management decisions may be different from those related to giving specific care to women hence one chapter focuses on making management decisions Emphasis is also placed on the role of the midwife in helping women make their own decisions the role of reflection in enhancing the decisions midwives make and the support midwives can receive from their Supervisor of Midwives Flowcharts explain and facilitate the decision making process A very practical approach to decision making in midwifery with contributions from midwives who have considerable experience in this area Provides guidelines on how to achieve successful autonomous midwifery practice enabling theory to be effectively applied to practice Includes coverage of management roles and decision making as well as clinical scenarios offering frameworks and flowcharts to guide the inexperienced Suggests different approaches to making difficult decisions

Studying for Your Midwifery Degree Siobhan Scanlan,Hilary Walker,2013-11-18 This essential handbook helps midwifery students to make the most from their time studying It clearly explains the core learning skills you will need right from the start of the course such as academic writing placement learning and understanding theoretical concepts It also introduces more advanced skills such as reflection research evidence based practice writing a dissertation and complex decision making It shows why these important skills are essential for you both to succeed at university and when you are a registered midwife Key features An accessible student friendly guide specifically written for midwifery students Three midwifery students are followed throughout the book to show real issues that you may face during your studies Activities

throughout help you test and develop your own learning skills Each chapter is linked to relevant NMC and QAA standards so that you can see what you are expected to know in order to pass your programme Series Editor The Transforming Midwifery Practice series editor is Judith Jackson Canterbury College Decision-Making in Midwifery Practice Maureen D. Skills For Midwifery Practice Introduction

In the digital age, access to information has become easier than ever before. The ability to download Skills For Midwifery Practice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Skills For Midwifery Practice has opened up a world of possibilities. Downloading Skills For Midwifery Practice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Skills For Midwifery Practice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Skills For Midwifery Practice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Skills For Midwifery Practice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Skills For Midwifery Practice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Skills For Midwifery

Practice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Skills For Midwifery Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
