Sky Of Stone:

Sky of Stone Homer Hickam, 2002-10-29 Homer Hickam won the praise of critics and the devotion of readers with his first two memoirs set in the hardscrabble mining town of Coalwood West Virginia The New York Times crowned his first book the 1 national bestseller October Sky an eloquent evocation a thoroughly charming memoir And People called The Coalwood Way Hickam s follow up to October Sky a heartwarmer truly beautiful and haunting Now Homer Hickam continues his extraordinary story with Sky of Stone dazzling us with exquisite storytelling as he takes us back to that remarkable small town we first came to know and love in October Sky In the summer of 61 Homer Sonny Hickam a year of college behind him was dreaming of sandy beaches and rocket ships But before Sonny could reach the seaside fixer upper where his mother was spending the summer a telephone call sends him back to the place he thought he had escaped the gritty coal mining town of Coalwood West Virginia There Sonny s father the mine s superintendent has been accused of negligence in a man s death and the townspeople are in conflict over the future of the town Sonny s mother Elsie has commanded her son to spend the summer in Coalwood to support his father But within hours Sonny realizes two things His father always cool and distant with his second son doesn t want him there and his parents marriage has begun to unravel For Sonny so begins a summer of discovery of love betrayal and most of all of a brooding mystery that threatens to destroy his father and his town Cut off from his college funds by his father Sonny finds himself doing the unimaginable taking a job as a track laying man the toughest in the mine Moving out to live among the miners Sonny is soon dazzled by a beautiful older woman who wants to be the mine s first female engineer And as the days of summer grow shorter Sonny finds himself changing in surprising ways taking the first real steps toward adulthood But it s a journey he can make only by peering into the mysterious heart of Coalwood itself and most of all by unraveling the story of a man s death and a father s secret In Sky of Stone Homer Hickam looks down the corridors of his past with love humor and forgiveness brilliantly evoking a close knit community where everyone knows everything about each other s lives except the things that matter most Sky of Stone is a memoir that reads like a novel mesmerizing us with rich language narrative drive and sheer storytelling genius
