Wikipedia contributors, Television Finales Douglas L. Howard,David Bianculli,2018-11-13 Today more than ever series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers While the final episodes of The Fugitive and M A S H continue to rank among the highest rated broadcasts more recent shows draw legions of binge watching fans Given the importance of finales to viewers and critics alike Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience both in terms of their sense of narrative and as episodes that epitomize an entire show Bringing together a veritable who's who of television scholars journalists and media experts including Robert Thompson Martha Nochimson Gary Edgerton David Hinckley Kim Akass and Joanne Morreale the book offers commentary on some of the most compelling and often controversial final episodes in television history Each chapter is devoted to a separate finale providing readers with a comprehensive survey of these watershed moments Gathering a unique international lineup of journalists and media scholars the book also offers readers an intriguing variety of critical voices and perspectives

Joss Whedon vs. the Horror Tradition

Kristopher Karl Woofert,Lorna Jowett,2018-11-29 Although ostensibly presented as light entertainment the work of writer director producer Joss Whedon takes much dark inspiration from the horror genre to create a unique aesthetic and perform a cultural critique Featuring monsters the undead as well as drawing upon folklore and fairy tales his many productions both celebrate and masterfully repurpose the traditions of horror for their own means Woofert and Jowett's collection looks at how Whedon revisits existing feminist tropes in the 70s and 80s slasher craze via Buffy the Vampire Slayer to create a feminist saga the innovative use of silent cinema tropes to produce a new fear laden film television intertext postmodernist reflexivity in Cabin in the Woods as well as exploring new concepts on cosmic dread and the sublime for a richer understanding of programmes

Dollhouse and Firefly Chapters provide the historical context of horror as well as the particular production backgrounds that by turns support constrain or transform this mode of filmmaking Informed by a wide range of theory from within philosophy film studies queer studies psychoanalysis feminism and other fields the expert contributions to this volume prove the enduring relevance of Whedon's genre based universe to the study of film television popular culture and beyond

The Vampire in Folklore, History, Literature, Film and Television, 2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire's penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi's Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented

Between Text and Image Delia Chiaro, Christine Heiss, Chiara Bucaria, 2008-08-14 Over the past decade interest in research on screen translation has increased sharply while at the same time fast moving technological breakthroughs are continually modifying and renewing both products and well established methods of linguistic mediation Thus as more scholars choose to devote their energies to investigating this multi faceted field there is an ever growing need to map out where the discipline stands and where it is going in terms of research This book sets out to establish the state of the art of this ever expanding field and at the same time to underscore the work of scholars following new paths of investigation both in terms of innovative linguistic mediations being examined and pioneering experimental design The volume includes descriptions of sophisticated electronic databases and corpora of audiovisual products for the big and small screen and the rationale behind them e g how they are created and programmed for querying technical limitations homogeneity in querying languages Furthermore Between Text and Image also includes a number of cutting edge studies in audience perception of audiovisual products i e empirically based viewer centred studies which are still rare yet essential if we wish to gain a thorough understanding of the field Finally the volume does not fail to ignore examples of original research carried out from both a traditional linguistic viewpoint and from a more cultural perspective

Joss Whedon as Shakespearean Moralizer J. Douglas Rabb, J. Michael Richardson, 2014-11-26 Drawing on the works of Shakespeare and American screenwriter Joss Whedon this study in narrative ethics contends that Whedon is the Shakespeare of our time The Bard wrote before the influence of the modern moral philosophers while Whedon is writing in the postmodern period It is argued that Whedon's work is more in harmony with the early modern values of Shakespeare than with modern ethics which trace their origin to 17th and 18th century moral philosophy This study includes a detailed discussion of representative works of Shakespeare and Whedon showing how they

can and should be read as forms of narrative ethics **Readings in Law and Popular Culture** Steven Greenfield, Guy Osborn, 2007-05-07 *Readings in Law and Popular Culture* is the first book to bring together high quality research with an emphasis on context from key researchers working at the cutting edge of both law and cultural disciplines Fascinating and varied the volume crosses many boundaries dealing with areas as diverse as football based computer games Buffy the Vampire Slayer digital sampling in the music industry the films of Sidney Lumet football hooliganism and Enid Blyton These topics are linked together through the key thread of the role of or the absence of law therefore providing a snapshot of significant work in the burgeoning field of law and popular culture Including important theoretical and truly innovative relevant material this contemporary text will enliven and inform a legal audience and will also appeal to a much broader readership of people interested in this highly topical area

Iatropoulos, 2016-11-24 Joss Whedon is known for exploring philosophical questions through socially progressive narratives in his films television shows and comics His work critiques racial stereotypes sometimes repudiating them sometimes reinvesting in them sometimes both at once This collection of new essays explores his representations of racial power dynamics between individuals and institutions and how the Whedonverse constructs race ethnicity and nationality relationships *Transmediating the Whedonverse(s)* Juliette C. Kitchens, Julie L. Hawk, 2019-10-29 This book explores the transmedial nature of the storyworlds created by and or affiliated with television auteur writer and filmmaker Joss Whedon As such the book addresses the ways in which Whedon s storyworlds or verses employ transmedia both intrinsically as texts and extrinsically as these texts are consumed and in some cases reworked by audiences This collection walks readers through fan and scholar fan engagement intrinsic textual transmediality and Whedon s lasting influence on televisual and

transmedia texts In closing the editors argue for the need to continue research into how the Whedonverse s lend themselves to transmedial study engage audiences in ways that take advantage of multiple media and encourage textual internalization of these engagements within audiences Reading Joss Whedon Rhonda V. Wilcox,Tanya R. Cochran,Cynthea Masson,David Lavery,2014-05-16 In an age when geek chic has come to define mainstream pop culture few writers and producers inspire more admiration and response than Joss Whedon From Buffy the Vampire Slayer to Much Ado About Nothing from Dr Horrible s Sing Along Blog to The Avengers the works of Whedon have been the focus of increasing academic attention This collection of articles represents some of the best work covering a wide array of topics that clarify Whedon s importance including considerations of narrative and visual techniques myth construction symbolism gender heroism and the business side of television The editors argue that Whedon s work is of both social and aesthetic significance that he creates canonical television He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable From the focus on a single episode to the exploration of an entire season from the discussion of a particular narrative technique to a recounting of the history of Whedon studies this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a course on his works *Joss Whedon* Amy Pascale,2014-08-01 From the cult favorite Buffy the Vampire Slayer which netted four million viewers per episode to the summer blockbuster The Avengers which amassed a box office of 1.5 billion Joss Whedon has made a name for himself in Hollywood for his penchant for telling meaningful personal tales about love death and redemption even against the most dramatic and larger than life backdrops This biography follows his development from a creative child and teenager who spent years away from his family at an elite English public school through his early successes which often turned into frustrating heartbreak in both television Roseanne and film Buffy the Vampire Slayer to his breakout turn as the creator writer and director of the Buffy television series Extensive original interviews with Whedon s family friends collaborators and stars and with the man himself offer candid behind the scenes accounts of the making of groundbreaking series such as Buffy Angel Firefly and Dollhouse as well as new stories about his work with Pixar writers and animators during the creation of Toy Story Most importantly however these conversations present an intimate and revealing portrait of a man whose creativity and storytelling ability have manifested themselves in comics online media television and film **The OUPblog Tenth Anniversary Book** Alice Northover,2015-07-28 The OUPblog Tenth Anniversary Book Ten Years of Academic Insights for the Thinking World celebrates the incisive works that made the OUPblog what it is today an unrivaled source for sophisticated learning understanding and reflection Hand picked by Oxford University Press editors these selections feature James M McPherson on Lincoln s greatest moment Arne L Kalleberg s on police brutality in Ferguson Missouri and Anatoly Liberman s exploration into the origins of the word bigot among many others From the fall of Rome and the science of happiness to race relations and international law the OUPblog has adapted the insights of authors staff and friends of Oxford University Press

Slayer Slang Introduction

In today's digital age, the availability of Slayer Slang books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slayer Slang books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slayer Slang books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slayer Slang versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slayer Slang books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slayer Slang books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slayer Slang books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users

to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slayer Slang books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slayer Slang books and manuals for download and embark on your journey of knowledge?
