Sleepwalking A Novel:

The Sleepwalker Chris Bohjalian, 2017-01-10 NEW YORK TIMES BESTSELLER From the bestselling author of *The Flight Attendant* comes a spine tingling novel of lies loss and buried desire the mesmerizing story of a wife and mother who vanishes from her bed late one night Gorgeous blond successful living in a beautiful Victorian home in a Vermont village Annalee Ahlberg has another side at night she sleepwalks and her affliction manifests in ways both devastating and bizarre A search party combs the woods but there is little trace of Annalee and her family fears the worst Her daughter Lianna leaves college to care for her father and younger sister She finds herself uncontrollably drawn to Gavin Rikert the hazel eyed detective investigating the case and the two become involved But Gavin seems to know more about Lianna s mother than he should As Lianna sifts through the life Annalee has left behind she wonders if the man sleeping next to her could hold the key to her mother s mysterious disappearance Look for Chris Bohjalian s new novel *The Lioness* [Sleepwalking](#) Meg Wolitzer, 2014-03-25 The debut novel from the New York Times bestselling author of *The Interestings* and *The Female Persuasion* a story of three college students shared fascination with poetry and death and how one of them must face difficult truths in order to leave her obsession behind Published when she was only twenty three and written while she was a student at Brown *Sleepwalking* marks the beginning of Meg Wolitzer s acclaimed career Filled with her usual wisdom compassion and insight *Sleepwalking* tells the story of the three notorious death girls so called on the Swarthmore campus because they dress in black and are each absorbed in the work and suicide of a different poet Sylvia Plath Anne Sexton and Wolitzer s creation Lucy Asher a gifted writer who drowned herself at twenty four At night the death girls gather in a candlelit room to read their heroines work aloud But an affair with Julian an upperclassman pushes sensitive struggling Claire Danziger she of the Lucy Asher obsession to consider to what degree her death girl identity is really who she is As she grapples with her feelings for Julian her own understanding of herself and her past begins to shift uncomfortably and even disturbingly Finally Claire takes drastic measures to confront the facts about herself that she has been avoiding for years *Sleepwalker* Michael Cadnum, 2015-12-22 San Francisco Bay Area archaeologist Davis Lowry has everything success a fascinating profession but he is troubled by a bout of sleepwalking For a change of scenery he travels to York England where a bog man has been unearthed A series of macabre accidents plague the site and Davis finds himself enmeshed in a modern day horror with roots in the bloody past **Edgar Huntly** Charles Brockden Brown, 2017-04-09 *Edgar Huntly* Or *Memoirs of a Sleepwalker* is a 1799 novel by the American author Charles Brockden Brown In the novel both Clithero and Huntly are sleepwalkers although at the beginning of the book Huntly does not realize it *Sleepwalking* is prevalent in the story and Brown uses this device to drive the plot of the novel For example Huntly first notices Clithero while Clithero is sleepwalking near the Elm tree This is what leads Huntly to investigate into Clithero s activities further and why Huntly accuses Clithero of killing Waldegrave It is while Huntly is following a sleep walking Clithero that he first comes to the cave which plays a major

role in the plot The entire second half of the novel revolves around the travelings of Huntly as he tries to return home this occurs because Huntly wakes up in the bottom of a cave which he entered into by sleep walking Waldegrave s papers also mysteriously disappear but later the reader learns that they were misplaced by Huntly during the night Because Huntly was sleepwalking while he did this he has no recollection of the events and the missing papers are therefore a great concern to him At the end of the novel Huntly no longer has troubles with sleepwalking Sleepwalk John Saul,1990-11-01 A terrifying new novel by the author of Darkness and Shadows Borrego New Mexico A peaceful little desert town Except for one thing Somebody here hates teenagers Hates them These troublemakers these rebels have to be controlled Silenced Forever Now he has discovered an insidious way to strike back at them In their sleep In their waking hours Anytime He is a madman with terrifying powers And soon he will draw Borrego s children beyond the brink of night *Sleep and the Novel* Michael Greaney,2018-04-04 Sleep and the Novel is a study of representations of the sleeping body in fiction from 1800 to the present day which traces the ways in which novelists have engaged with this universal indispensable but seemingly nondescript region of human experience Covering the narrativization of sleep in Austen the politicization of sleep in Dickens the queering of sleep in Goncharov the aestheticization of sleep in Proust and the medicalization of sleep in contemporary fiction it examines the ways in which novelists envision the figure of the sleeper the meanings they discover in human sleep and the values they attach to it It argues that literary fiction harbours on its margins a sleeping partner one that we can nickname the Schlafroman or sleep novel whose quiet absorption in the wordlessness and passivity of human slumber subtly complicates the imperatives of self awareness and purposive action that traditionally govern the novel **The Sleepwalker: a Novel of Suspense** Helen McCloy, Fundamentals of Sleep Medicine - E-Book Richard B.
