Island Sisters (Walker Island Romance, Books 1-3) Lucy Kevin, Bella Andre, 2017-04-11 Walker Island Romance Books 1-3 Be My Love No Other Love When It's Love **Brett: A portrait of Brett Whiteley by his sister** Frannie Hopkirk, 2013-02-01 Brett was the sweetest funniest cleverest man I've ever known my confidant and best friend He had a rare radiance an inner certainty which was compelling and hugely attractive Frannie Hopkirk knew Brett Whiteley all his life He was her brother Here for the first time one of those closest to Brett presents a vivid and movingly personal insight into his life and work Throughout their lives despite the sometimes vast geographical distances that separated them brother and sister maintained a strong spiritual connection an unbreakable bond This brave often painfully honest but loving portrait could only have been written by someone who Brett knew and trusted implicitly They were born two years and one week apart into an average to extraordinary middle class family Brett was a streetwise larrikin from the very beginning both a leader and a loner spending hours drawing the harbour from his bedroom window in their Longueville home or plotting all kinds of mischief for his gang Frannie adored her brother and was a willing participant in his chaotic adventures At the time Brett was awarded his travelling art scholarship and left for Europe Frannie married and moved to New Zealand Five years later Frannie was the mother of five and Brett had stepped into the international art scene Staying with Brett and Wendy in New York Frannie had her first taste of the rock n roll generation that held such fascination for Brett and her writing captures the essence of the hip 60s The lives of brother and sister seemed to run on parallel lines and often intersected When the Whiteleys returned to Australia in the 70s Frannie was part of the Lavender Bay scene Throughout Brett's life Frannie watched and celebrated his success as well as sharing his disappointments She also experienced her own joys and tragedies

as the mother of a large family in New Zealand then living with her lover in London eventually moving back to Sydney and then to the Central West of NSW a landscape familiar to her and Brett from boarding school This is her story too For Brett Whiteley art and life were intertwined Frannie examines the relationship between her brother s life and art as she discusses Brett s major works and some lesser known paintings and drawings She knew the young man who dreamed of fame as an artist while he sketched the ferries ploughing across Sydney Harbour She understood when he painted The American Dream as a response to the toxic influence of American culture and violence and she shared his devotion and connection to works such as Alchemy During the last years of his life Brett relied on Frannie and she became his closest friend As his addiction to heroin deepened and ultimately controlled him she offered him unconditional love Her compassion and understanding set this book apart as a unique and moving account of the life of one of Australia s greatest artists **Sisters** Elizabeth

Fishel,1985 Sins of the Sisters Faith A. Keahey,2017-09-05 One winters day during the Great War two adorable little girls watched out the window of the landing between the first and second floors of the three story brick Victorian home From their perch they could see the American soldiers struggle with a steel gray metal box against the fierce Chicago wind The children tried to be as invisible as possible as the men entered the house and deposited the military casket in the front parlor They had overheard the servants and knew inside the coffin was the body of Uncle John This day was the beginning of the end Albert Meyers had been quick to put his old life as Augie Steinmetz of Germany behind him Ill gotten money had gained him the education he lusted after as though it were a seductive woman Before long he was living his American dream in the stately home situated in the elite South Shore Drive neighborhood With Attorney at Law tacked on the end of his name he had married the frail Harriet the most beautiful woman he had ever met Soon two daughters Molly and Sally completed his perfect world Unfortunately for his wife and the two darling little girls Albert paid for his sins with his own life Over the next decade it seemed the family was cursed By the time the stock market crashed in 1929 only the daughters and two of their domestics had survived to tell the story Even the stately brick home was reduced to rubble and ashes Molly continued to step in one mud puddle after another as she struggled to fight off the wolves in sheeps clothing that hid around every corner and lurked behind every bush She rationalized there must be gods and goddesses somewhere in the heavens playing games with peoples lives Sometimes you won the trophy and sometimes you were the prize Her enemies often made the mistake of assuming Molly was nave She was young and inexperienced but she was extremely intelligent and tenacious and would go to any length to protect the people and the things she loved She had no equal when it came to dispersing justice and extracting revenge that is to say except possibly her sisters When Molly looked for a quiet place to lick her wounds she settled on the small mountain community of Brown Bear City She quickly learned there were no walls strong enough to keep away pain and sorrow but she had a valuable weaponshe was wealthy You will get caught up in Mollys colorful life and become endeared to the people she collects along lifes pathway You may well agree with her assessment some people just deserve to die

**Veiled Desires** Maureen Sabine,2013-08-22 Ingrid Bergman's engaging screen performance as Sister Mary Benedict in *The Bells of St Mary's* made the film nun a star and her character a shining standard of comparison She represented the religious life as the happy and rewarding choice of a modern woman who had a complete understanding of both erotic and spiritual desire How did this vibrant and mature nun figure come to be viewed as girlish and naive Why have she and her cinematic sisters in postwar popular film so often been stereotyped or selectively analyzed so seldom been seen as women and religious In *Veiled Desires* a unique full length in depth look at nuns in film Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema She looks at an impressive breadth of films in which the nun features as an ardent lead character including *The Bells of St Mary's* 1945 *Black Narcissus* 1947 *Heaven Knows Mr Allison* 1957 *Sea Wife* 1957 *The Nun's Story* 1959 *The Sound of Music* 1965 *Change of Habit* 1969 *In This House of Brede* 1975 *Agnes of God* 1985 *Dead Man Walking* 1995 and *Doubt* 2008 *Veiled Desires* considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed and the habit was thought to stifle In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment *Like a Sister* Kellye Garrett,2022-03-08 In this crackling domestic suspense filled with wry humor and deft pacing Alyssa Cole no one bats an eye when a Black reality TV star is found dead except her estranged half sister whose refusal to believe the official story leads her on a dangerous search for the truth Edgar Award Finalist for Best
