Sisters Without Mercy:

Sisters Without Mercy Clarence J. Moore, 2013-01-16 *Sisters Without Mercy* is about a team of Special Forces 101st Airborne women who go to the aid of one of their own. The main character is Dora Simmons. Her brother is killed under the most peculiar circumstances. Dora finds out during her search for answers that her brother Mark belonged to an elite group of FBI agents that were being systematically killed off by the director of the FBI. Dora realizes that she needs help. She calls on her teammates in the Airborne, eleven other women with outstanding abilities. Once Dora and her teammates decide where they have to go and what they have to do in order to find Mark's killer, the girls begin the execution of their plan. The investigation leads to some of the richest men in the world, including a Sheikh. The sisters also learn that their CO at Fort Campbell may be involved with these very shady people. The sisters find out that this group of rich men are involved in drugs, pornography, slave trade, and the most ghastly of all, the harvesting of organs. Bringing down this operation requires the services of the Navy Seals at Coronado, the Marines at Camp Pendleton, and more of the 101st Airborne men and women from Fort Campbell, Ky. When Dora's mother and brother are kidnapped, they are taken to an island that belongs to Mexico. Unknown to everyone, the Mexican and U.S. governments are aware of the activities on this island and have decided to collaborate in closing down this illegal operation.

Sisters Without Mercy II Clarence J. Moore, 2013-04 After thirty years, Brigadier General Carolyn McKenzie Marshall is retiring and leaving the US Army behind. She's proud of her accomplishments, especially the formation and training of the first women's jump program in the army. Though looking forward to a new life in Hawaii, she's sad to leave her sisters behind, including her replacement, Col. Dora Aimsley. The two have been through a lot together. But just three days into retirement, one of Carrie's past exploits comes back to haunt her, and her fellow sisters. Ten years ago, the Sheikh managed to escape destruction when Dora blew up the building in which he and his cohorts were hiding. Now the Sheikh has returned to exact revenge on Dora and the team who caused him to lose money and face. The Sheikh means business. Even so, Dora foils his hijacking attempt on the Pope's airplane, and the Sheikh retaliates by kidnapping Dora's twin daughters and Carrie. Dora's training kicks in, and with the help of her fellow sisters, she tries to save her friend, her family, and herself.

The Latter-Day Saints' Millennial Star, 1894 **Quirky tales for noon and midnight. 10 new Scythian tales** Guy Sebeus, 2017-03-09 Once upon a time, by the warm sea, in the most extensive steppes, there were the bravest, the freest, and the most mysterious people, the Scythians. They are mysterious because no one knows where they have come from and where they have eventually disappeared. Only storytellers know about it, and that's what they tell. **All the Year Round**, 1880

Lust, Anger, Love Maureen Canning, 2008-01-01 Sexual addiction is a problem that affects millions of people. Maureen

Canning LMFT who has extensive experience treating sex addicts explains its roots and how those afflicted can recover This book also explains the poisonous childhood seeds that lead to public scandals like the revelations involving former congressman Mark Foley Canning shows how compulsions are the product of early childhood abuse and how patterns from the most violent to the most commonplace develop She explains that the overriding emotion sexually addicted people feel towards the partners with whom they seek intimacy is anger turned into sexuality or sexualized anger This yields a false sense of security and power an aggressive tendency which destroys any chance of a healthy relationship Lust Anger Love offers a comprehensive and enlightening look at the origins of these little discussed behaviors and maps out a plan for recovery
