Swatridge,2022-02-11 Beyond the Postcard is a collection of one man s world spanning travel stories From the humorous to the heart warming these tales each show how travel despite the inevitable surprises is rewarding in so many ways It stirs emotions that reinforce and affect what we know about the world about each other and even about ourselves Travel is one of the best safeguards against war racism and indifference to the less fortunate Through quotes stories short philosophical comments and his own pictures Swatridge sketches a rich landscape that anybody with a sense of adventure will enjoy Whether you love to travel or have never left your own backyard you can experience the joy challenge and adventure of a life on the road through these stories

American Holiday Postcards, 1905-1915 Daniel Gifford,2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book

demonstrates how the postcard images reveal deep divides at the height of the Progressive Era **Picture Postcards in**

the United States, 1893-1918 George Miller,Dorothy Miller,1976 Postcards from the End of America Linh

Dinh,2017-02-21 Roaming the country by bus and train on a budget and without any institutional support Linh Dinh set out to document in words and pictures what life is like for people From Los Angeles Cheyenne Portland and New Orleans to Jackson and Wolf Point Linh walked miles and miles through unfamiliar neighborhoods talking to whoever would talk to him the homeless living in tent cities the peddlers the protestors the public preachers the prostitutes With the uncompromising eye of

a Walker Evans or a Dorothea Lange and the indomitable forthright prose of a modern day Nelson Algren or James Agee Dinh documents the appalling and the absurd with warmth and honesty giving voice to America's often forgotten citizens and championing the awesome strength it takes to survive for those on the bottom Growing out of a photo and political writing blog Linh has maintained since 2009 Postcards from the End of America is an unflinching diary of what Linh sees as the accelerating collapse of America Tracking the economic political and social unraveling from the casinos to the abandoned factories and over all the sidewalks in between with a poet's incisive tongue Linh shows us the uncanny power of the people in the face of societal devastation Canadian Bookseller and Stationers' Journal ,1905 **Postcards from the Nursery**
