Reese and the Prophet King** Jesse Edward Corrales, 2017-05-05 In his latest book Daniel T Reese and the Prophet King author Jesse Edward Corrales calls the reader on a journey that challenges modern ideology of the life of a young Jesus Christ The author of *Brothers Mine As Told by Lucifer* *Uriah Earth Second Time* and *South of Baton Rouge* among other titles builds on the known details of Jesus youth and the imaginatively expands them by introducing twelve year old Daniel T Reese into the mix One day during summer vacation Daniel and a group of his friends are enjoying the day by skateboarding in their neighborhood When Daniel attempts to jump a curb he soon finds himself taking flight His injuries include trauma to the head and the young boy lapses into a coma leaving his family friends and doctor concerned about when he will wake up Unbeknownst to his loved ones Daniel does awake from his coma but in the middle of a busy road in Nazareth A concerned man named Joseph encourages the boy to retreat before a fast approaching wagon pulled by a donkey runs him over Once he is safe a confused Daniel thanks Joseph The boy doesnt remember how he got to Nazareth and has trouble recalling many details about his life Joseph takes him home to his family and offers Daniel a place there until he regains his memory He

introduces Daniel to his wife Mary his daughter Salome and his sons Jesus and James The friendship that Daniel forms with Jesus who is also twelve is the core of the story As children are prone to do Daniel and Jesus teach each other games Daniel introduces Jesus and his friends to baseball and the Nazarene children teach Daniel their version of football and unfamiliar words However unlike most childhood friendships Daniel and Jesus's relationship involves contemplation of Jesus's message that people should take care of each other and forgo judgment He shares this message not only with the elders in the Temple of Jerusalem but also with groups of children in Nazareth and wandering desert people who camp outside of the village Corrales presents Jesus as a quiet mild mannered boy but also as a budding young man who is inquisitive and determined His sense of purpose and desire to share lessons of love are so strong even Daniel who suffers from side effects of his brain injury throughout the story feels that he knows something of Jesus from the life that he cannot fully recall The juxtaposition of the happy go lucky Daniel and the serious but adventurous Jesus offers the reader a lighter view of Jesus that fleshes out his humanity Daniel T Reese and the Prophet King expresses a message of basic kindness that does not require adherence to any specific religion but simply a full acknowledgement of one's humanity Telling the story of the young prophet king through the perspective of children does not soften the message of the golden rule instead it deepens that message and encourages even the oldest among us to open our hearts to this fundamental approach to life Melissa Brown Levine senior editor and owner Brown Levine Productions [MelissaBrownLevine.com](http://MelissaBrownLevine.com) [Verse, Chorus, Monster!](#) Graham Coxon, 2022-10-04 Among the noise and clamour of the Britpop era Blur co founder Graham Coxon managed to carve out a niche to become one of the most innovative and respected guitarists of his generation but it wasn't always easy Graham grew up as an Army kid moving frequently in his early years from West Germany to Derbyshire and Winchester before settling in Colchester Essex A shy child he had a thing for eating soil and drawing intense visions his anxiety was tempered by painting and a growing love of music These twin passions grew into obsessions and as he honed his artistic skill at school Goldsmiths and beyond his band with school friend Damon Albarn fellow student Alex James and a drummer called Dave Rowntree began to get noticed But there are things they don't tell you before you get famous There are monsters out there And some may even be lurking inside yourself Verse Chorus Monster is an intimate honest reflection on music fame addiction and art by one of Britain's most iconic musicians *Weepers* R.
