Print ,1992 *Fragment, Image, and Absence in 1960s Japan* Ignacio A. Adriasola Muñoz,2022-11-28 This groundbreaking book examines how the notion of the object was transformed in Japanese experimental art during a time of rapid social economic and environmental change Reviving the legacies of the historical avant garde Japanese artists and intellectuals of the 1960s formulated an aesthetics of disaffection through which they sought to address the stalemate of political and aesthetic representation Ignacio A Adriasola Mu oz draws from psychoanalytic theories of melancholia to examine the implications of such an approach tracing a genealogy of disaffection within modernist discourse By examining the discursive practices of artists working across a wide range of media and through a close analysis of artwork philosophical debates artist theories and critical accounts Adriasola Mu oz shows how negativity became an efficacious means of addressing politics as a source for the creative act of undoing In examining ideas of the object advanced by artists and intellectuals both in writing and as part of their artwork this book brings discussions in critical art history to bear on the study of art in Japan It will be of interest to art historians specializing in modernism the international avant garde Japanese art and the history of photography
