Last Chance Tourism Harvey Lemelin,Jackie Dawson,Emma J.

Stewart,2013-03-01 Concerns over vanishing destinations such as the Great Barrier Reef Antarctica and the ice cap on Mt Kilimanjaro have prompted some travel operators and tour agencies to recommend these destinations to consumers before they disappear This travel trend has been reported as disappearing tourism doom tourism and most commonly last chance tourism where tourists explicitly seek vanishing landscapes or seascapes and or disappearing natural and or social heritage However despite this increasing form of travel there has been little examination in the academic literature of last chance tourism phenomenon This is the first book to empirically examine and evaluate this contemporary tourism development providing a new angle on the effects of global change and pressures of visitation on tourism destinations It aims to develop the conceptual definition of last chance tourism examine the ethics surrounding this type of travel and provide case studies highlighting this form of tourism in different regions and in different contexts In particular it critically reviews the advantages of publicizing vulnerable destinations to raise awareness and promote conservation efforts Conversely the book draws attention to the issue of attracting more tourists seeking to undergo such experiences before they are gone forever accelerating the negative impacts It further examines current trends discusses escalating challenges provides management strategies and highlights future research opportunities Last Chance Tourism is a timely and multi disciplinary volume

featuring contributions from leading scholars in the fields of leisure tourism anthropology geography and sociology It draws on a range of international case studies and will be of interest to students researchers and academics interested in Tourism Environmental Studies and Development Studies Sport and the Emancipation of European Women Gigliola Gori,J.A. Mangan,2016-03-23 Sport and the Emancipation of European Women the Struggle for Self fulfilment explores the contributions of European women to the emancipation of women worldwide It expands understanding of the need for their attitudes and actions and celebrates their achievements in freeing the female body from unwarranted political cultural and social restraint in the courageous pursuit of the Enlightenment s secular value system the unity of mankind and basic personal freedoms and a world of tolerance knowledge education and opportunity from Roy Porter Enlightenment Britain and the Creation of the Modern World 2004 The Collection records the pulling down of European barriers via sport to women s realisation of ability and release of talent and their conquest of crushing inhibitions inexcusable irrationality intolerable prejudice and denial of opportunity no barriers came down without confrontation The struggle to overthrow prejudice set for the first time in the context of recent European history and the recent evolution of European sport is described in this pioneering Collection It is the first publication to focus specifically on European women and their struggle for emancipation via sport This book was published as a special issue of the International Journal of the History of Sport
