Richard Wall Memorial Award Theatre Library Association Beginning in the 1920s audiences around the globe were seduced not only by Hollywood films but also by lavish movie theaters that were owned and operated by the major American film companies These theaters aimed to provide a quintessentially American experience Outfitted with American technology and accoutrements they allowed local audiences to watch American films in an American owned cinema in a distinctly American way In a history that stretches from Buenos Aires and Tokyo to Johannesburg and Cairo Ross Melnick considers these movie houses as cultural embassies He examines how the exhibition of Hollywood films became a constant flow of political and consumerist messaging selling American ideas products and power especially during fractious eras Melnick demonstrates that while Hollywood s marketing of luxury and consumption often struck a chord with local audiences it was also frequently tone deaf to new social cultural racial and political movements He argues that the story of Hollywood s global cinemas is not a simple narrative of cultural and industrial indoctrination and colonization Instead it is one of negotiation booms and busts successes and failures adoptions and rejections and a precursor to later conflicts over the spread of American consumer culture A truly global account Hollywood s Embassies shows how the entanglement of worldwide movie theaters with American empire offers a new way of understanding film history and the history of U S soft power Twentieth Century Fox Frederick Wasser,2020-08-18 This is the first scholarly history of Fox from its origins in 1904 to the present It builds upon research and histories of individual periods to describe how one company responded to a century long evolution of the audience nationally and globally In the beginning William Fox grabbed a once in a millennium opportunity to build a business based on a genuinely new art form This study explores the enduring legacy of F W Murnau Will Rogers Shirley Temple John Ford Spyros Skouras George Lucas James Cameron and many others offering discussion of those behind and in front of the camera delving deeply into the history and evolution of the studio Key films covered include The Iron Horse The Grapes of Wrath How Green Was My Valley Forever Amber All About Eve Cleopatra The Sound of Music Planet of the Apes Star Wars Titanic and Fight Club providing an extensive look at the successes and flops that shaped not only Twentieth Century Fox but the entire Hollywood landscape Through a chronological study the book charts the studio s impact right up to the present day providing a framework to allow us to look to the future of moviemaking and film consumption Lively and fresh in its approach this book is a comprehensive study of the studio for scholars students and enthusiasts of Hollywood cinema film history and media industries **Film Study** Frank Manchel,1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities **Joe and Marilyn** C. David Heymann,2014-07-01 From the New York Times bestselling author of Bobby and Jackie comes the riveting true story of the passionate volatile relationship between baseball great Joe DiMaggio and Hollywood icon Marilyn Monroe

When Joe DiMaggio and Marilyn Monroe eloped in January of 1954 they became an international sensation Joe and Marilyn reveals the true inside story of these two iconic figures whose marital troubles were Hollywood legend Though their marriage only lasted nine months they remained close until Monroe s mysterious death in 1962 at the age of thirty six He had a half dozen red roses delivered three times a week to her crypt for twenty years According to Heymann DiMaggio remained devoted to her until his own death in 1999 An intimate sensitive shocking and richly detailed look at two of America s biggest stars Heymann delivers the expertise and passion for his subjects that his many fans so love Based on extensive archival research and personal interviews with family and friends Joe and Marilyn offers great insight into this famously tragic romance Sixteen pages of striking photos accompany this unforgettable love *Class Struggle in Hollywood, 1930-1950* Gerald Horne,2022-02-24 A taut narrative in elegant prose Horne has unearthed a vitally important and mostly forgotten aspect of Hollywood and labor history Publishers Weekly As World War II wound down in 1945 and the cold war heated up the skilled trades that made up the Conference of Studio Unions CSU began a tumultuous strike at the major Hollywood studios This turmoil escalated further when the studios retaliated by locking out CSU in 1946 This labor unrest unleashed a fury of Red baiting that allowed studio moguls to crush the union and seize control of the production process with far reaching consequences This engrossing book probes the motives and actions of all the players to reveal the full story of the CSU strike and the resulting lockout of 1946 Gerald Horne draws extensively on primary materials and oral histories to document how limited a threat the Communist party actually posed in Hollywood even as studio moguls successfully used the Red scare to undermine union clout prevent film stars from supporting labor and prove the moguls own patriotism Horne also discloses that unnoticed amid the turmoil organized crime entrenched itself in management and labor gaining considerable control over both the product and the profits of Hollywood This research demonstrates that the CSU strike and lockout were a pivotal moment in Hollywood history with consequences for everything from production values to the kinds of stories told in films to permanent shifts in the centers of power *American Zeus* Taso G. the career of S Charles Lee who designed more than 300 theatres between 1920 and 1950 buildings that became prototypes for the whole country **The Hollywood Book of Breakups** James Robert Parish,2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity s latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In *The Hollywood Book of Breakups* James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn t make this stuff up and James Robert Parish doesn t need to Hollywood writes its own drama when it comes to scandalous breakups *ACTOR IN AN Art Business* Martin Keith Sopocy,2024-12-02 The author of this manuscript is dyslexic I suppose that means that I see things backwards Also I tend to skip steps in the chain of logic and replace them with powerful intuitive responses Through my writing I have achieved originality I have functioned with dyslexia all my life but I have learned to make an asset of it My dyslexia diagnosis is fundamental to my work as a writer My dyslexia is not something to be suppressed as my goal is to use this manuscript to encourage others with the same disability I was able to obtain a Bachelor s degree from the University of Chicago work successfully as a play reader for the National Broadcasting Company NBC and finally as an employment interviewer for the Labor Department of the State of New York Looking back on life at 80 years of age I have never had a job that I didn t like or was not able to excel in I am sharing my life long history with dyslexia as encouragement to others with similar disabilities By sharing this information my desire is to encourage others with the same or similar disabilities I have authored a manuscript that has the viewpoint that is a product of a singular mode of perception and has a distinct value in its presentation My work is no less valid due to my penchant for skipping steps in the expected chain of logic in didactic writing I have presented a valid depiction of my subject William Holden Overall this is an ambitious undertaking As an author I have endeavored consistently to create a work that is based on good scholarship and depicts the career of William Holden honestly and with admiration **Candy Darling** Cynthia Carr,2024-03-19 MONUMENTAL The New Yorker HEROIC The New York Times Book Review THRILLING Los Angeles Times PRISMATIC The Atlantic Winner of the National Book Critics Circle Award for Biography A Finalist for the the Los Angeles
