## **Sky Man On The Totem Pole:**

Sky Man on the Totem Pole? Christie Harris, 1975 A retelling of Northwest Indian legends exploring their possible basis in actual events from a space age perspective      **A Totem Pole History** Pauline R. Hillaire, 2022-07-25 Joseph Hillaire Lummi 1894 1967 is recognized as one of the great Coast Salish artists carvers and tradition bearers of the twentieth century In A Totem Pole History his daughter Pauline Hillaire Sc lla Of the Killer Whale who is herself a well known cultural historian and conservator tells the story of her father s life and the traditional and contemporary Lummi narratives that influenced his work A Totem Pole History contains seventy six photographs including Joe s most significant totem poles many of which Pauline watched him carve She conveys with great insight the stories teachings and history expressed by her father s totem poles Eight contributors provide essays on Coast Salish art and carving adding to the author s portrayal of Joe s philosophy of art in Salish life particularly in the context of twentieth century intercultural relations This engaging volume provides an historical record to encourage Native artists and brings the work of a respected Salish carver to the attention of a broader audience      **Young Adult Science Fiction** C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies      **Looking at Totem Poles** Hilary Stewart, 2009-09-01 Magnificent and haunting the tall cedar sculptures called totem poles have become a distinctive symbol of the native people of the Northwest Coast The

powerful carvings of the vital and extraordinary beings such as Sea Bear Thunderbird and Cedar Man are impressive and intriguing In Looking at Totem Poles Hilary Stewart describes the various types of poles their purpose and how they were carved and raised She also identifies and explains frequently depicted figures and objects Each pole shown in a beautifully detailed drawing is accompanied by a text that points out the crests figures and objects carved on it Historical and cultural background are given legends are recounted and often the carver s comments or anecdotes enrich the pole s story Photographs put some of the poles into context or show their carving and raising *Becoming Tsimshian* Christopher F. Roth,2011-01-01 The Tsimshian people of coastal British Columbia use a system of hereditary name titles in which names are treated as objects of inheritable wealth Human agency and social status reside in names rather than in the individuals who hold these names and the politics of succession associated with names and name taking rituals have been and continue to be at the center of Tsimshian life *Becoming Tsimshian* examines the way in which names link members of a lineage to a past and to the places where that past unfolded At traditional potlatch feasts for example collective social and symbolic behavior gives the person to the name Oral histories recounted at a potlatch describe the origins of the name of the house lineage and of the lineage s rights to territories resources and heraldic privileges This ownership is renewed and recognized by successive generations and the historical relationship to the land is remembered and recounted in the lineage s chronicles or adawx In investigating the different dimensions of the Tsimshian naming system Christopher F Roth draws extensively on recent literature archival reference and elders in Tsimshian communities *Becoming Tsimshian* which covers important themes in linguistic and cultural anthropology and ethnic studies will be of great value to scholars in Native American studies and Northwest Coast anthropology as well as in linguistics **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 *Postcolonialism and Science Fiction* J. Langer,2011-12-15 Using close readings and thematic studies of contemporary science fiction and postcolonial theory ranging from discussions of Japanese and Canadian science fiction to a deconstruction of race and post colonialism in World of Warcraft This book is the first comprehensive study of the complex and developing relationship between the two areas **The Christie Harris Papers** University of Calgary.
