Michael Lennon, 2013-11-07

Norman Mailer was one of the most famous writers of his generation. People who had never read a word that he wrote knew who he was because of his fame as a novelist or journalist or his notoriety because of his womanising, his rivalries with other writers, his appearances on television, his political outspokenness and his prominence as a leading intellectual of his era. A provocative chronicler of the second half of the twentieth century, both as a journalist and a novelist, works such as *The Naked and the Dead* and *The Executioner's Song* vividly define a moment in American history. J. Michael Lennon was authorised by Mailer to write his biography and as such has had access to family and friends and to unpublished documents and letters. Norman Mailer: A Double Life reflects Mailer's dual identities: journalist and activist, devoted family man and notorious philanderer, intellectual and fighter, writer and public figure, Jew and atheist. Whether you admired him or loathed him, he was remarkable and unique. His was an astonishing life. **Skylight**, 1996 Melbourne Theatre Company Programs.
