## **Slave Ships Slaving:**

**Slave Ships and Slaving** George Francis Dow, 2013-01-17 Grim commentaries by ships doctors and captains about slave factories living conditions aboard ships mutinies and their suppression and more 54 period illustrations Unabridged reprint of the classic 1927 edition

**Slave Ships and Slaving** George Francis Dow, 2023-04-11 The long grim story of the slave trade is a tragic historical narrative This darkest and most heartless era in African American history saw millions of Africans kidnapped and sold into bondage in the West Indies the American colonies and later the United States This history is recalled firsthand in this extraordinary shocking collection of commentaries by ships doctors and captains as well as written testimonies for a parliamentary committee investigating the slave trade Accounts vary from sympathetic to indifferent as the narrators relate horrifying events and conditions of extreme cruelty Detailed descriptions of suppressed mutinies on slave ships and life in factories penned areas that held slaves until they were put aboard ships are followed by vivid accounts of living conditions on the vessels for both slaves and sailors as well as commentary on the commercial structure of the slave trade More than 50 period engravings and other illustrations depicting slave markets handcuffs shackles and other restraints and the stowing of slaves aboard ship accompany the staggering record A basic sourcebook for students of African American history this volume is also essential reading for anyone concerned with the genealogy of the social ills and inequities of modern life

*Slave Ships and Slaving* George Francis Dow, 1927 A collection of six traditional fairy tales from Germany Italy France the U S S R Finland and Sweden illustrated by the well known Russian artist Nikolai Ustinov

The Slave Ship Marcus Rediker, 2007 Draws on three decades of research to chart the history of slave ships their crews and their enslaved passengers documenting such stories as those of a young kidnapped African whose slavery is witnessed firsthand by a horrified priest from a neighboring tribe responsible for the slave s capture 30 000 first printing

**Slave Ships and Slaving** George Francis Dow, 1968 Extraordinary collection of commentaries by ships doctors and captains as well as written testimonies for a parliamentary committee investigating the slave trade Accounts relate horrifying events and conditions the holding pens or factories living conditions aboard ships mutinies and their suppression and more 54 period engravings and other illustrations accompany the grim record

*Slave Ships & Slaving* George Francis Dow, 1980

The Transatlantic Slave Trade James A. Rawley, Stephen D. Behrendt, 2005-12-01 The transatlantic slave trade played a major role in the development of the modern world It both gave birth to and resulted from the shift from feudalism into the European Commercial Revolution James A Rawley fills a scholarly gap in the historical discussion of the slave trade from the fifteenth to the nineteenth century by providing one volume covering the economics demography epidemiology and politics of the trade This revised edition of Rawley s classic produced with the assistance of Stephen D Behrendt includes emended text to reflect the major changes in historiography current slave trade data tables and accompanying text updated notes and the addition of a select bibliography

**Slavery at Sea** Sowande M Mustakeem, 2016-11-01 Most times left solely within the

confine of plantation narratives slavery was far from a land based phenomenon This book reveals for the first time how it took critical shape at sea Expanding the gaze even more deeply the book centers how the oceanic transport of human cargoes infamously known as the Middle Passage comprised a violently regulated process foundational to the institution of bondage Sowande Mustakeem s groundbreaking study goes inside the Atlantic slave trade to explore the social conditions and human costs embedded in the world of maritime slavery Mining ship logs records and personal documents Mustakeem teases out the social histories produced between those on traveling ships slaves captains sailors and surgeons As she shows crewmen manufactured captives through enforced dependency relentless cycles of physical psychological terror and pain that led to the the making and unmaking of enslaved Africans held and transported onboard slave ships Mustakeem relates how this process and related power struggles played out not just for adult men but also for women children teens infants nursing mothers the elderly diseased ailing and dying Mustakeem offers provocative new insights into how gender health age illness and medical treatment intersected with trauma and violence transformed human beings into the world s most commercially sought commodity for over four centuries

The Last Slave Ships John Harris, 2020-11-24 A stunning behind the curtain look into the last years of the illegal transatlantic slave trade in the United States Long after the transatlantic slave trade was officially outlawed in the early nineteenth century by every major slave trading nation merchants based in the United States were still sending hundreds of illegal slave ships from American ports to the African coast The key instigators were slave traders who moved to New York City after the shuttering of the massive illegal slave trade to Brazil in 1850 These traffickers were determined to make Lower Manhattan a key hub in the illegal slave trade to Cuba In conjunction with allies in Africa and Cuba they ensnared around two hundred thousand African men women and children during the 1850s and 1860s John Harris explores how the U S government went from ignoring and even abetting this illegal trade to helping to shut it down completely in 1867

From Slaving to Neoslavery I. K. Sundiata, 1996 Fernando Po home to the Bantu speaking Bubi people has an unusually complex history Long touted as the key to West Africa it is the largest West African island and the last to enter the world economy Confronted by both African resistance and ecological barriers early British and Spanish imperialism foundered there Not until the late nineteenth century did foreign settlement take hold abetted by a class of westernized black planters It was only then that Fernando Po developed a plantation economy dependent on migrant labor working under conditions similar to slavery In From Slaving to Neoslavery Ibrahim K Sundiata offers a comprehensive history of Fernando Po explains the continuities between slavery and free contract labor and challenges standard notions of labor development and progress in various colonial contexts Sundiata s work is interdisciplinary considering the influences of the environment disease slavery abolition and indigenous state formation in determining the interaction of African peoples with colonialism From Slaving to Neoslavery has manifold implications Historians usually depict the nineteenth century as the period in which free labor triumphed over slavery but Sundiata

challenges this notion By examining the history of Fernando Po he illuminates the larger debate about slavery current among scholars of Africa **Slave Ships Slaving, etc. [With plates.]**. George Francis DOW,1927 **The Dutch Slave Trade, 1500-1850** ,2006 Dutch historiography has traditionally concentrated on colonial successes in Asia However the Dutch were also active in West Africa Brazil New Netherland the present state of New York and in the Caribbean In Africa they took part in the gold and ivory trade and finally also in the slave trade something not widely known outside academic circles P C Emmer one of the most prominent experts in this field tells the story of Dutch involvement in the trade from the beginning of the 17th century much later than the Spaniards and the Portuguese and goes on to show how the trade shifted from Brazil to the Caribbean He explains how the purchase of slaves was organized in Africa records their dramatic transport across the Atlantic and examines how the sales machinery worked Drawing on his prolonged study of the Dutch Atlantic slave trade he presents his subject clearly and soberly although never forgetting the tragedy hidden behind the numbers the dark side of the Dutch Golden Age which makes this study not only informative but also very readable The Dutch in the Atlantic Slave Trade, 1600-1815 Johannes M. Postma,Johannes Postma,2008-01-03 Presenting a thorough analysis of the Dutch participation in the transatlantic slave trade this book is based upon extensive research in Dutch archives The book examines the whole range of Dutch involvement in the Atlantic slave trade from the beginning of the 1600s to the nineteenth century

**The African Slave Trade and Its Suppression** Peter Hogg,2014-02-04 A comprehensive bibliography dealing specifically with African slave trade This volume has been sub classified for easier consultation and the compiler has provided where possible descriptions and comments on the works listed The Slave Trade Matthew Kachur,Philip Schwarz,2006 Traces the history of the transatlantic slave trade between Africa and the Americas African Americans in the Colonial Era Donald R. Wright,2017-02-27 What are the origins of slavery and race based prejudice in the mainland American colonies How did the Atlantic slave trade operate to supply African labor to colonial America How did African American culture form and evolve How did the American Revolution affect men and women of African descent Previous editions of this work depicted African Americans in the American mainland colonies as their contemporaries saw them as persons from one of the four continents who interacted economically socially and politically in a vast complex Atlantic world It showed how the society that resulted in colonial America reflected the mix of Atlantic cultures and that a group of these people eventually used European ideas to support creation of a favorable situation for those largely of European descent omitting Africans who constituted their primary labor force In this fourth edition of African Americans in the Colonial Era From African Origins through the American Revolution acclaimed scholar Donald R Wright offers new interpretations to provide a clear understanding of the Atlantic slave trade and the nature of the early African American experience This revised edition incorporates the latest data a fresh Atlantic perspective and an updated bibliographical essay to thoroughly explore African Americans African origins their experience crossing the Atlantic and their existence in colonial America in a

broadened more nuanced way      **The Third Portuguese Empire, 1825-1975** W. G. Clarence-Smith, 1985      **Liverpool and Transatlantic Slavery** David Richardson, Anthony Tibbles, Suzanne Schwarz, 2007-01-01 As Britain's dominant port for the slave trade in the eighteenth century Liverpool is crucial to the study of slavery And as the engine behind Liverpool's rapid growth and prosperity slavery left an indelible mark on the history of the city This collection of essays boasting an international roster of leading scholars in the field sets Liverpool in the wider context of transatlantic slavery The contributors tackle a range of issues including African agency slave merchants and their society and the abolitionist movement always with an emphasis on the human impact of slavery      Mutiny on the Black Prince James H Sweet, Vilas-Jartz Distinguished Professor of History James H Sweet, 2025-01-07 The dramatic story of a mutiny aboard an eighteenth century British ship and how its owners effectively rallied the power of the British Crown to protect their investment and expand their wealth and political power across multiple generations In 1768 the British slave ship Black Prince departed the port of Bristol bound for West Africa It never arrived Before reaching Old Calabar the crew mutinied murdering the captain and his officers The mutineers renamed the ship Liberty elected new officers and set out for Brazil By the time the ship arrived there the crew had disintegrated into a violent mob and fired into the port city After the Black Prince wrecked off the coast of Hispaniola the rebels fled to outposts around the Atlantic world An eight year manhunt ensued This book follows the crew's turn to piracy and the merchant owners response to the uprising At the very moment that the American Revolution unfolded in North America the Black Prince's owners conducted a shadow revolution mobilizing the power of the British Crown to seek justice and restitution on their behalf These private merchants used state surveillance policing extradition capital punishment international diplomacy and even warfare in order to protect their wealth During an era of professed liberty and freedom the privatization of state power was already emerging replacing monarchies with corporate oligarchies presaging a new kind of political power in the Atlantic world The eighteenth century Bristol slave merchants and subsequent generations of their families accrued great fortunes from the trade and invested it in early British banks railroads insurance companies industrial manufacturing and even the Anglican Church Mutiny on the Black Prince narrates the dramatic story of the events onboard and the merchant owners efforts to capture the rebels from around the Atlantic world as well as the way that British slavery shaped the industrializing Atlantic economy and the evolution of the modern corporate state      **The Atlantic Slave Trade** Jeremy Black, 2022-12-30 Originally published as a collection in 2006 this volume looks at the eighteenth century which saw the high point of the Atlantic slave trade It contains essays which examine the commercial and financial structure of the British slave trade the contribution of other European countries to the trade and the effects of the trade on West and West Central Africa The volume also has an introduction by the editor commenting on the contribution each essay makes
