reformers of the May Fourth generation in favor of Western style realism The author recognizes that a full account of modern Chinese fiction needs to ask why so many genres styles themes and figures found in late imperial fiction were repressed by modern Chinese literary discourse He focuses on four genres of late Qing fiction that have been either rudely dismissed in pejorative terms or simply ignored depravity romances court case and chivalric cycles grotesque exposés and scientific fantasies The author shows that in spite of the realist orthodoxy that has dominated Chinese literature since the May Fourth movement these unwelcome genres have continually found their way back into mainstream discourse their influence being increasingly evident in recent decades This first comprehensive study of late Qing fiction discusses more than sixty works at least half of which have rarely or never been dealt with by Western or Chinese scholars Richly informed by contemporary literary theory this book constitutes a polemical rethinking of the nature of Chinese literary and cultural modernity

Novel is a chronicle of a city's trials and triumphs The Appropriation of Cultural Capital Milena Doleželová-Velingerová, Oldřich Král, Graham Sanders, 2020-03-23 For much of the twentieth century the May Fourth movement of 1919 was seen as the foundational moment of modernity in China. Recent examinations of literary and cultural modernity in China have however led to a questioning of this view. By approaching May Fourth from novel perspectives the authors of the eight studies in this volume seek to contribute to the ongoing critique of the movement. The essays are centered on the intellectual and cultural historical motivations and practices behind May Fourth discourse and highlight issues such as strategies of discourse formation, scholarly methodologies, rhetorical dispositions, the manipulation of historical sources and the construction of modernity by means of the reification of China's literary past **Island Beneath the Sea** Isabel Allende, 2010-04-27 Allende is a master storyteller at the peak of her powers.
