## **Slipknot Unmasked:**

**Slipknot Unmasked (Again)** Joel McIver, 2003 Slipknot Unmasked was the first major biography of the band who had risen to chart prominence in 1999 The new updated edition covers various personnel changes that have occurred over the years their unique image frenzied stage antics and the release of their platinum album Iowa **Slipknot** Jason Arnopp, 2011-05-31 The only plan right now is to kill everybody Joey Jordison drummer Ignoring every rule in the book and more besides Slipknot are a notoriously controversial band who combine a talent for outrage with their music Reminiscent of the outlandishness of punk nu metal has become the fastest growing area in rock with Slipknot selling over 2 million copies of their debut album And yet Slipknot spit swear and risk injury night after night in their extraordinary live performances Incredibly their apparel of masks and boiler suits which they refuse to remove means that their fans still do not know what they look like Jason Arnopp the first British journalist to interview Slipknot face to mask describes the transformation of the Des Moines crew into unorthodox mega stars Featuring an introduction by the legendary Gene Simmons of Kiss this biography will be the first published on the band either in the UK or America and will include exclusive interviews and in depth information on the mysterious nine masked men **Slipknot Discography , Who You Think I Am?** Sebastian Berlich, 2023-10-27 Pop stars are close to us In their songs their pictures their stories on Instagram What we are looking for is an authentic impression Real feelings on real faces But what happens when they cover their face with a mask Permanently as a second face The phenomenon can be found in the mainstream as well as in the underground The mask does not break with the ideal of authenticity Rather depending on how it is staged it refers to the most diverse discourses can appear cool or grotesque become a logo or create anonymity The essay uses mainly two examples Sido Slipknot to show how the mask constructs the persona of pop stars and thus reveals structures of pop music The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content **Slipknot Tours ,**

**SlipKnoT: ALL HOPE IS GONE** Joel McIver, 2012-03-07 With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits Slipknot retained a mystique that was unprecedented in the metal world never allowing their faces to become known so that the focus would remain on their music The first edition of this book published in 2001 followed the band from their inception in Des Moines Iowa in the mid 1990s through to the release of their second album an updated edition followed in 2003 It s now a decade since the first volume appeared and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999 Everyone knows their faces now The band s music is darker deeper and more adult after four studio albums three DVDs and a live release Most strikingly the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group although their commercial profile is if anything greater than it was before Slipknot All Hope Is Gone explores this unlikely and tragic evolution with new chapters covering the band s career to date and it also asks what their future will be
