Slobs Guide To Good Living:

Slobs Guide to Good Living Rosemary Burr, Hilary Doling, Tracey Jeune, 1987 **The Newman's Own Organics Guide to a Good Life** Nell Newman, Joseph D'Agnese, 2003-03-11 It's fairly obvious that one can't be a perfect environmentalist. But that's okay. Perfection isn't the goal. A good life is. And a good life has as much to do with your intent as with the end result. From the Introduction: *The Newman's Own Organics Guide to a Good Life* is the essential book for those of us who can't live in an organic hemp tepee but do care about our quality of life, global warming, clean water, and disappearing resources. Nell Newman shows you how to do what is within easy reach. Along with realistic practical advice, she shows how and why living a more environmentally conscious life benefits you and your immediate surroundings. In addition to recycling and reusing, the book covers consumer-related steps such as how buying and eating organic food supports small farms and tastes better, too; how you can buy clean power through your regular power company, which long distance telephone companies offer competitive pricing and service while returning a portion of their profits to environmental and educational organizations; where to buy everything from pots and pans to pet food so that you can vote with your dollar and feel good about your purchases. Packed with profiles of fascinating and sometimes zany people and a heavy dose of sanity, this book is organized according to the way you really live, making it easy to identify what areas of change are viable for you. A resource directory of publications, retailers, groups, and associations is included in the back of the book.

The Old Gays Guide to the Good Life Mick Peterson, Bill Lyons, Robert Reeves, Jessay Martin, 2023-11-28 From America's most beloved foursome, the TikTok sensation Old Gays, a book of unexpected aspirational advice and inspirational stories drawn from their decades of living from pre-Stonewall to the rise of the LGBTQ movement to gay marriage and beyond. Ranging in age from sixty-seven to eighty, Mick, Jessay, Robert, and Bill are the real-life Golden Girls of the social media era, a quartet of old gays whose hard-won confidence and awesome authenticity have taken the culture by storm. They are America's queens, and more important, they are survivors whose lives have been transformed by sweeping cultural change. In this fabulously fun and entertaining book, they share their stories: humorous, heartbreaking, shocking, and profound tales that only older gay men can tell. It was their generation that was devastated by AIDS, a health crisis that deprived us of so many brilliant creative lives, including many of their friends. In this delightful group memoir, Mick, Jessay, Robert, and Bill tell all about their lives, revealing who they are beyond TikTok, where they came from, and how they found one another. They offer their collective wisdom on a rainbow of topics, including coming out, sex, gay liberation, gay marriage, AIDS, aging, and saving the best act for last. Outrageous and hilarious, refreshingly earnest and unfiltered, engaging and insightful, they've been through it all: harassment, divorce, depression, bankruptcy, even near-death experiences. Between the four of them, there's not much of life they haven't seen or done, and now they dish on everything from fitness and fabulous dinner parties to church and orgies. An intimate and moving portrait of four friends who have experienced the good, the bad, and the ugly and are still looking forward to the best that is
