**Katrin Zwirgmaier**

## Sir Patient Fancy:

Sir Patient Fancy Aphra Behn, 1915      *Sir Patient Fancy: a comedy* Aphra Behn, 1678      Sir Patient Fancy Aphra Behn, 1678      *Sir Patient Fancy* Aphra Behn, 2020-03-27 *Sir Patient Fancy* A Comedy is a comedic play written by Aphra Behn first performed in 1678 It is Behn's first overtly political play The play is influenced by Moliere's last play *Le Malade Imaginaire* *Sir Patient Fancy* a hypochondriacal old alderman has taken a second wife Lucia a young and beautiful woman who although feigning great affection and the strictest conjugal fidelity intrigues with a gallant Charles Wittmore the only obstacle to their having long since married being mutual poverty However the jealousy and uxoriousness of the doting husband give the lovers few opportunities      The Works Aphra Behn, 1967      Sir Patient Fancy, 2003      Sir Patient Fancy Aphra Behn, 2020-04-08 *Sir Patient Fancy* a hypochondriacal old alderman has taken a second wife Lucia a young and beautiful woman who although feigning great affection and the strictest conjugal fidelity intrigues with a gallant Charles Wittmore the only obstacle to their having long since married being mutual poverty However the jealousy and uxoriousness of the doting husband give the lovers few opportunities      Sir Patient Fancy. The amorous prince. The Widow Ranter. The younger brothers; or, The amorous jilt Aphra Behn, 1967      Sir Patient Fancy Aphra Behn, 1678      *Sir Patient Fancy: A Comedy* Aphra Behn, 2010      *Plays Written by the Late Ingenious Mrs. Behn* Aphra Behn, 1724      **Plays** Behn, 2023-04-12 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Retrospective Review**, 1853      **The Retrospective Review**, 1853 Consisting of criticisms upon analyses of and extracts from curious valuable and scarce old books      *The Works of Ophra Behn* Montague Summers, 2020-07-18 Reproduction of the original *The Works of Ophra Behn* by Montague Summers

Publishing the Woman Writer in England, 1670-1750 Leah Orr, 2023 Based on a survey of nearly seven hundred works with female authors from this period this book contends that authorship was constructed not always by the author for market appeal that biography often supported an authorial persona rooted in the genre of the work and that authorship was a role rather than an identity      **Plays...** Aphra Behn, 1724      **Playing Spaces in Early Women's Drama** Alison Findlay, 2006-10-19 This study examines the playing spaces for early modern women's drama      **The Works of Aphra Behn (Complete)** Aphra Behn, 2020-09-28 It is perhaps not altogether easy to appreciate the multiplicity of difficulties with which the first editor of Mrs Behn has to cope Not only is her life strangely mysterious and obscure but the rubbish of half a dozen romancing biographers must needs be cleared away before we can even begin to see daylight Matter which had been for two centuries accepted on seemingly the soundest authority is proven false her family name itself was until my recent discovery wrongly given the very question of her portrait has its own vexed and until now unrecognized dilemmas In fine there seems no point connected with our first professional authoress which did not call for the nicest investigation and the

most incontrovertible proof before it could be accepted without suspicion or reserve The various collections of her plays and novels which appeared in the first half of the eighteenth century give us nothing nay they rather cumber our path with the trash of discredited Memoirs Pearson s reprint 1871 is entirely valueless there is no attempt however meagre at editing no effort to elucidate a single allusion moreover several of the Novels and the Poems in their entirety are lacking I am happy to give Vol V one of the Novels and that not the least important The History of the Nun for the first time in any collected edition Poems in addition to those which appeared in Mrs Behn s lifetime and were never reprinted after have been gathered with great care from many sources of which some were almost forgotten It is hoped that this new issue of Mrs Behn may prove adequate Any difficulties in the editing have been more than amply compensated for by the interest shown by many friends Foremost my best thanks are due to Mr Bullen whose life long experience of the minuti\_ of editing our best dramatic literature has been ungrudgingly at my service throughout to the no small advantage of myself and my work Mr Edmund Gosse C B has shown the liveliest interest in the book from its inception and I owe him most grateful recognition for his kindly encouragement and aid Nay more he did not spare to lend me treasured items from his library so rich in first and boasting unique editions of Mrs Behn Mr G Thorn Drury K C never wearied of answering my enquiries and in discussion solved many a knotty point To him I am obliged for the transcript of Mrs Behn s letter to Waller s daughter in law and also the Satire on Dryden He even gave of his valuable time to read through the Memoir and from the superabundance of his knowledge made suggestions of the first importance The unsurpassed library of Mr T J Wise the well known bibliographer was freely at my disposal In other cases where I have received any assistance in clearing a difficulty I have made my acknowledgement in the note itself

**The Theatre of Aphra Behn** D. Hughes, 2001-02-20 During the nineteen years of her play writing career Aphra Behn had far more new plays staged than anyone else This book is the first to examine all her theatrical work It explains her often dominant place in the complex theatrical culture of Charles II s reign her divided political sympathies and her interests as a free thinking intellectual It also reveals her as a brilliant theatrical practitioner who used the seen as richly and significantly as the spoken
