Sisters Impossible:

The Sisters Impossible James David Landis, 1984-08-01 The world of ballet is the center of this story of sibling rivalry

The Sisters Impossible James David Landis, 1984 Lily's beginning ballet classes draw her unexpectedly closer to her seemingly haughty older sister already an advanced dancer **The Extra-Ordinary Princess** Carolyn Q. Ebbitt, 2010-08-09 Princess Amelia is the least likely person to become queen of the land of Gossling from her position as the fourth daughter to her non-princessy ways But when a plague sweeps the land kills her parents and leaves her evil uncle in power it is Amelia who must find the courage to save her kingdom and her sisters Readers will be thoroughly enchanted by the coming of age of an unlikely princess **Gender Meets Genre in Postwar Cinemas** Christine Gledhill, 2012-01-15 This remarkable collection uses genre as a fresh way to analyze the issues of gender representation in film theory film production

spectatorship and the contexts of reception With a uniquely global perspective these essays examine the intersection of gender and genre in not only Hollywood films but also in independent European Indian and Hong Kong cinemas Working in the area of postcolonial cinema contributors raise issues dealing with indigenous and global cinemas and argue that contemporary genres have shifted considerably as both notions of gender and forms of genre have changed The volume addresses topics such as the history of feminist approaches to the study of genre in film issues of female agency in postmodernity changes taking place in supposedly male dominated genres concepts of genre and its use of gender in global cinema and the relationship between gender and sexuality in film Contributors are Ira Bhaskar Steven Cohan Luke Collins Pam Cook Lucy Fischer Jane Gaines Christine Gledhill Derek Kane Meddock E Ann Kaplan Samiha Matin Katie Model E Deidre Pribram Vicente Rodriguez Ortega Adam Segal Chris Straayer Yvonne Tasker Deborah Thomas and Xiangyang Chen

Private Practices Meredith Cherland University of Regina, Saskatchewan, Canada., 2013-10-23 First Published in 1994 The study of literacy no longer focuses solely on psychological processes In the past ten years literacy has been reconceptualized as a social practice or rather as social practices that make up the fabric of daily life Using an anthropological perspective *Private Practices* examines the broad fictional reading of middle class pre-teen girls and offers fresh insights into the place of literacy both at home and at school in the construction of gender The author provides a wealth of evidence to support the central assumption of the book Gender is a cultural and social construction not a biological given Gender is something that people create while interacting with each other in all the practices of their daily lives including their literacy practices The book also provides critical analysis and commentary concerning the role that reading fiction plays in cultural reproduction In the hope that deeper knowledge of literacy as a social practice will support social transformation and eventually social justice the author suggests compelling reasons for the fact that girls read more fiction and different fiction than do boys *Private Practices* Meredith Rogers Cherland, 1994 A constructed world Gender practices Literacy practices Instructional practices Identity practices Private lessons Ballet Class Melissa R. Klapper, 2020 A pathbreaking

social history that takes seriously the experiences of the countless everyday people who pursued recreational ballet Ballet Class An American History explores the growth of this now quintessential extracurricular activity as it became an integral part of American childhood across borders of gender class race and sexuality **Reading Programs for Young Adults** Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs *Goose Sense* Akua A. Fayette,2022-01-21 *Goose Sense* By Akua A Fayette *Goose Sense* is an educational tool for adults and children to learn about history culture and family as seen through the eyes of geese The book centers around how children live through innocence and joy until they reach the age when life begins to present itself with negative and positive situations Through powerful storytelling readers can analyze how they feel about their friends family and adult role models From this story Fayette hopes readers take away the need for unity and compassion and to treat people the way you want to be treated The most important thing to remember is to let love reflect back on all relationships The ending phrase of all the stories is If only people had the sense of a goose **Host Bibliographic Record for Boundwith Item Barcode 30112047793085 and Others** ,1879 *Record Series* Yorkshire Archaeological and Topographical Association,1910 *Intellectual Freedom and Censorship* Frank W.
