[Leaders of the Sioux](#) Charles River Editors,2025-06-21 Among the Oglala Lakota one of the most famous bands of the Native American Tribe known as the Sioux the longest and most effective leader was Red Cloud better known as Red Cloud Though he has not been remembered as vividly as another member of the Oglala Lakota Crazy Horse Red Cloud led the group for 40 years in war in peace and on a reservation becoming so esteemed and influential that Americans began to mistakenly take him for the leader of the entire Sioux tribe In the 1860s Red Cloud was at the forefront of skirmishing among whites and Native Americans along the frontier in Wyoming and Montana which came to be known as Red Cloud s War After that however Red Cloud continued to lead his people to reservations first near the Black Hills and later westward after the Battle of the Little Bighorn Though he was respected as a war chief it was his political functions as a spokesman of the Oglala that truly allowed Red Cloud to leave his mark over the last several decades

of his life Whereas Sitting Bull and Crazy Horse suffered premature deaths Red Cloud outlived the other important leaders of the Sioux until dying in 1909 at 87 years old Near the end of his life he reportedly said They made us many promises more than I can remember But they kept but one they promised to take our land and they took it Though Red Cloud was forever embittered by what he and his people had lost his long leadership and his help in transitioning his people onto reservations has ironically turned him into somewhat of a symbol of conciliation and reconciliation between Native Americans and whites as opposed to Native American symbols of defiance like Tecumseh Sitting Bull and Crazy Horse Sitting Bull ensured he would become a legend at the Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors inspired by one of his visions routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Sioux and by the end of the decade many of them had surrendered and been moved onto a reservation Sitting Bull defiantly refused to surrender instead heading with a smaller band into Canada and remaining exiled When he finally surrendered to the U S in 1881 he was a celebrity of sorts and Sitting Bull went on to appear in Buffalo Bill Cody s Wild West Show during the decade Not surprisingly his death was as controversial as his life in 1890 Sitting Bull was killed on a reservation after plans to arrest him went terribly awry leading to fighting in the aftermath that left over a dozen dead Crazy Horse may have fervently wished to avoid white settlers but he s a Native American icon today because of the inability to do so Like Geronimo in the Southwest and Sitting Bull on the Plains Crazy Horse was a chief who fought in several skirmishes against settlers and U S forces during the 1860s and he became one of the most famous Native Americans in American history because of one fateful confrontation with whites the legendary Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Plains and by the end of the decade many of them had surrendered and been moved onto a reservation Like Sitting Bull Crazy Horse tried to avoid surrendering for as long as he could and both suffered a controversial death
