Analysing The Resilience Of The One-party Dominant State In Singapore Bilveer Singh,2019-07-11 This book examines the staying power of the People s Action Party a political party that has governed Singapore since June 1959 A political titan with few chinks in its armour the party has kept winning elections under three prime ministers and Singapore is about to witness a transition to the fourth prime minister The party s seemingly unstoppable sterling performance makes the issue of the durability of the PAP highly critical In light of the serious weakness of the Opposition and the strong performance legitimacy of the ruling party it is worthwhile asking the question can the PAP stumble and fall Addressing this question is highly relevant given that similar political parties and structures have almost all collapsed elsewhere the Barisan Nasional as the latest casualty with its defeat in Malaysia s 2018 General Elections With an extensive coverage on domestic and international issues up to date developments on the finalisation of the PAP s 4G leadership the Workers Party town council saga and the efforts to form an opposition coalition led by Tan Cheng Bock are also analysed in this book

and cricket In India on the other hand the Muslim minorities under colonial rule appropriated soccer to assert their community identity The book examines why in certain countries minorities chose to take up the sport while in others they backed away from participating in the game or alternatively set up their own leagues and practised self exclusion The book examines European countries like the Netherlands England and France the USA Africa Australia and the larger countries of Asia particularly India This book was previously published as a special issue of Soccer and Society

Gothic Line 1944-45 Thomas McKelvey Cleaver, 2022-08-18 This is the history of how the mighty Gothic Line was defeated by American air power in one of the most pivotal but least known air campaigns of World War II By late 1944 the Italian Campaign was secondary to the campaigns in France and Allied forces were not strong enough to break the Germans mighty Gothic Line These fortifications were supplied by rail through the Alps with trains arriving hourly and delivering 600 000 tons of supplies a month enough to keep the German Army going forever But in the bitter winter of 1944 45 the mighty Gothic Line would be defeated by American air power in one of the most pivotal but least known air campaigns of World War II It would not be a direct assault instead Operation Bingo would ruthlessly cut the Germans supply lines and leave them starved However it would not be easy The rail routes were defended by a formidable array of heavy flak and every raid was expected Conditions were freezing and even in electric flying suits men suffered both hypoxia and frostbite By the end of February the previous eight hour rail journey took the Germans 3 4 days on the wrecked railroad and soon supplies were barely enough to keep the army alive On April 12 the Allied ground attack began and within ten days the German command in Northern Italy sued for surrender the first German force in Europe to do so Packed with first hand accounts and rare photos from the 57th Bomb Wing Archives this book is a fascinating history of the most successful US battlefield interdiction campaign in history immortalized in the writing of bombardier Joseph Heller in his novel *Catch 22*
