Discover How To Generate A Six Figure Income ... Within 6 - 12 Months From Now! Successful Business Academy, 2021 If you want to start earning a Six Figure Income within the next 6 12 months then continue to grow your business up to the magical Million Pound profit status and at the moment you are constantly frustrated because you are

not making money that you see others earning from your business even though you've followed what you believe to be the right instructions, the right methods, and the right techniques, then you are going to love this book. However, this is NOT suitable for everyone. Firstly, some people are quite happy with their small business enterprise as long as it provides enough income for day-to-day existence, and there's nothing wrong with that, but obviously, this training programme is not for them as it will be showing you how you can generate a minimum six-figure income. Secondly, you will be discovering dramatic business growth strategies, tips, and techniques. Some of these will take you out of your comfort zone, question what you've always believed to be the right method, and can lead to a whole new look to your business. Once you enter the Six-Figure Earnings bracket, your entire life style will change. Apart from the freedom, no alarm clock, no boss, no office politics, no stress, no worries, generating this amount of income enables you to invest even more back into your business, and it's often said once you hit the six-figure income bracket, moving onto the seven-figure income bracket is relatively easy. Usually, because by the time you've hit six figures, you'll have all the knowledge and know-how to then apply in greater quantities that will see you swiftly move up to seven figures. This book will share with you all the methods, strategies, and techniques to get you to a six-figure income as quickly as possible, enabling you to push on to the magic seven-figure goal.

[Six Figures in School Hours](#) Kate Toon, 2023-06-27. Most parents don't want to build a global empire or make a gazillion dollars a year. They just want to earn a decent income and have time to read their kids a bedtime story without having a meltdown in the process. Yes, we know running a business can be rewarding. However, it can also seep into every life crack, eat up your energy and leave you exhausted, stressed and snapping at your small humans. In *Six Figures in School Hours*, award-winning digital marketing coach and business mentor Kate Toon shares practical and doable tips for parents to run a successful business, make serious money and not burn themselves to a frazzle in the process. First, you will examine your business goals and measure your progress, then discover passive income ideas and ways to involve the family in your business life in an enjoyable way, finally find out how to turn that six-figure profit dial up or down depending on the compromises you're willing to make. *Six Figures in School Hours* is a smart, honest business self-help book that gives you the skills, tools and confidence to never again need to choose between a successful business and a happy family life.

[Flat Fee Freelancer](#) Stephen Poynter, 2020-10-19. It's time to take the free out of freelancing. However, many brilliant ideas, diligent hours of work or good connections you have, it won't mean a thing if you aren't charging enough. How do I know I'm Stephen Poynter and I've worked a number of both corporate and entrepreneurial jobs including in wealth management consulting, digital marketing, vacation rental management and other pursuits ranging from even candy vending machines to audiobook narrating. And I've seen enough to know there are a lot of people with great potential that end up selling themselves short in the vibrant gig economy. That's what I'd like to help change. In this book, I'll show you why billing an hourly rate similar to what you would make as an employee is about as sure a path to extinction as there is and why, in fact, you should probably charge at least 3 times more. Why hours don't even matter in the first place. How to convince both yourself and your clients of the true value of your labor. How to structure project fees that reflect your results rather than your time and that help you stay alive and sane in the process. If you are going to be part of the freelance economy, I want you to do it well. The flexibility, autonomy, creative potential and financial reward are there if you know how to do it right. Pick up your copy of this guide now to get the best tips I've learned on this journey. I trust it will help you not only survive but thrive as a freelancer. 33 1/3
