A Crash of Rhinos Paisley Rekdal, 2000 In these quizzically probing and provocative poems atoms and torture tattoos and laundromats mug shots the theory of light and such personalities as Joe Louis and Bruce Lee join in shaping a simultaneously personal and historical narrative of love family and desire The tension between the public and the private saturates these poems with a breathless energy that carries the reader through Rekdal's self aware depiction of American culture and romance complete with Harlequin romance novels and an account of her parents courtship Though Rekdal delights in turning traditional images of love upside down what she finally offers is a grateful and graceful view of humanity which convinces us that as she says in Convocation Nothing is a single moment No private event lacks history

Monticello in Mind Lisa Russ Spaar, 2016-02-09 Thomas Jefferson was a figure both central and polarizing in his own time and despite the passage of two centuries he remains so today Author of the Declaration of Independence and the Virginia Statute for Religious Freedom yet at the same time a slaveholder who likely fathered six children by one of his slaves Jefferson has been seen as an embodiment of both the best and the worst in America's conception and in its history In Monticello in Mind poet Lisa Russ Spaar collects fifty contemporary poems most original to this anthology that engage the complex legacy of Thomas Jefferson and his plantation home at Monticello Many of these poems wrestle with the history of race and freedom at the heart of both Jefferson's story and America's own Others consider Jefferson as a figure of Enlightenment rationalism who scrupulously excised evidence of the supernatural from the gospels in order to construct his own version of Jesus's moral teachings Still others approach Jefferson as an early colonizer of the West whose purchase of the Louisiana territory and launch of the Lewis and Clark expedition anticipated the era of Manifest Destiny Featuring a roster of poets both emerging and established including Lucille Clifton Rita Dove Claudia Emerson Terrance Hayes Robert Hass Yusef Komunyakaa Tracy K Smith Natasha Trethewey Charles Wright and Kevin Young this collection offers an aesthetically and culturally diverse range of perspectives on a man whose paradoxes still abide at the heart of the American experiment

Racial Ambiguity in Asian American Culture Jennifer Ann Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In Racial Ambiguity in Asian American Culture Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in Racial Ambiguity in Asian American Culture that seeing race as ambiguous puts us one step closer to a potential antidote to racism

Willow Springs , 2003 *The Night My Mother Met Bruce Lee* Paisley Rekdal, 2007-12-18 When you come from a mixed race background as Paisley Rekdal does her mother is Chinese American and her father is Norwegian thorny issues of identity politics and interracial desire are never far from the surface Here in this hypnotic blend of personal essay and travelogue Rekdal journeys throughout Asia to explore her place in a world where one s appearance is the deciding factor of one s ethnicity In her soul searching voyage she teaches English in South Korea where her native colleagues call her a hermaphrodite and is dismissed by her host family in Japan as an American despite her assertion of being half Chinese A visit to Taipei with her mother who doesn t know the dialect leads to the bitter realization that they are only tourists which makes her further question her identity Written with remarkable insight and clarity Rekdal a poet whose fierce lyricism is apparent on every page demonstrates that the shifting frames of identity can be as tricky as they are exhilarating

Nightingale Paisley Rekdal, 2019-06-18 *Nightingale* is a book about change This collection radically rewrites and contemporizes many of the myths central to Ovid s epic *The Metamorphoses*

Rekdal's characters changed not by divine intervention but by both ordinary and extraordinary human events. In *Nightingale*, a mother undergoes cancer treatments at the same time her daughter transitions into a woman, a woman comes to painful terms with her new sexual life after becoming quadriplegic, a photographer wonders whether her art is to blame for her son's sudden illness, and a widow falls in love with her dead husband's dog. At the same time, however, the book includes more intimate lyrics that explore personal transformation culminating in a series of connected poems that trace the continuing effects of sexual violence and rape on survivors. *Nightingale* updates many of Ovid's subjects while remaining true to the Roman epic's tropes of violence, dismemberment, silence, and fragmentation. Is change a physical or a spiritual act? Is transformation punishment or reward, reversible or permanent? Does metamorphosis literalize our essential traits or change us into something utterly new? *Nightingale* investigates these themes while considering the roles that pain, violence, art, and voicelessness all play in the changeable selves we present to the world.
