Six Gun Planet:

Six-gun Planet John Jakes, 1970 **Six-gun Planet** John Jakes, 1970 The civilized government of the planet Missouri was overthrown by revolutionaries who have embraced the lifestyle and culture of the United States Old West frontier Suspicious of technology the denizens of Missouri nevertheless ride robot horses and drink synthetic liquor to pass the time on a planet whose main source of income comes from exporting western souvenirs i e miniature outhouses wagons revolvers etc staging gunfights for tourists and providing living antiques in the form of gunfighters being placed on other planets as zoo specimens **Two Science Fiction Adventures** John Jakes, 2012-07-31 DIVTwo visions of the world gone mad from master storyteller John Jakes divDIV In On Wheels the United States has become so overpopulated that a tenth of its people have no home Instead they spend their lives on the highway With all of the dangers of the road dropping below forty miles per hour would mean certain death even for men like Billy Spoiler The clans of the open road spend their lives battling each other for control of the freeway and the Spoilers are no exception They never give up never pull over and never take their hand off the throttle divDIV divDIV On the colony world of Six Gun Planet cowboys ride robot horses In an effort to escape the corrupting influence of technology the people of this strange isolated world they call Missouri have reset the clock to 1880 building a civilization of main streets saloons and bordellos where it is always high noon Reluctant gunslinger Zak Randolph thinks the whole set up is ridiculous but he goes along with it because there s good money in playing the part of a western hero When notorious gunslinger Buffalo Yung challenges him to a duel though Zak gets serious Missouri s horses may be fake but its bullets are definitely real divDIV divDIV This ebook bundle features an illustrated biography of John Jakes including rare images from the author s personal collection div **The Bold Frontier** John Jakes, 2012-07-10 Stories of the American West by the 1 New York Times bestselling author of North and South the best historical novelist of our time Patricia Cornwell In these timeless stories of the untamed American West John Jakes thrillingly portrays the harsh realities of life on the frontier with tales of lawmen in the Sierra Nevada railroad workers in Kansas and gamblers on the steamboat River Queen From a saloon showdown unlike any other and outlaws double crossing each other to a fur trapper hell bent on vengeance and a power struggle between medicine men Jakes s frontier stories capture the same sweeping historical drama and unforgettable characterizations as his epic novels in the Crown Family Saga the Kent Family Chronicles and the North and South Trilogy At the very heart of every Jakes saga is a story that throbs to the beat of history The Cleveland Plain Dealer This ebook features an illustrated biography of John Jakes including rare images from the author s personal collection

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 **Nature & Science on the Pacific Coast** , 1915 **Playing Cowboys** Robert Murray Davis, 1992 In Playing Cowboys Robert Murray Davis examines the Western hero a principal image of American manhood since publication of The Virginian as portrayed by a variety of post World War II novelists and filmmakers Innovative artists have used the Western to discuss issues of ethics and aesthetics but

its greatest impact may have been on popular cultural values Davis shows that the Western is not primarily about escape or violence but at its best is about development The would be hero adopts the existing role only to find it inadequate and forced to reimagine himself he defines the Western hero anew At the core of this process is strength not power over others but courage to go beyond the established boundaries Although women do appear in the Western often as proponents of civilization it is fundamentally a man s world offering an important view of male identity Focusing on The Virginian chapter 1 explores the origin of the Western hero and the source of the genre s major plots and issues Chapter 2 evaluates history myth and the relative reality of the two in the works of Oakley Hall Citing the novels of Richard Brautigan E L Doctorow John Hawkes and Michael Ondaatje chapter 3 compares the Western and the gothic novel focusing on the concept of space These works portray the West as a wasteland devoid of any vitality but chapter 4 takes up science fiction Westerns including works by John Jakes John Boyd and Robert Sheckley that use the Western frontier to ironic and liberating effect Chapter 5 on the motion picture Blazing Saddles and the postmodern Western novels of Ishmael Reed and Alvin Greenberg examines the role playing by which identity is created And in his Preface Introduction and Epilogue Davis frames these discussions with personal observations on the West and its relation to the American masculine mystique For those interested in Western movies or novels popular culture gender studies or literary criticism Playing Cowboys is a unique and indispensable guide to the territory from here to the sunset

Imagined Frontiers Carl Abbott, 2015-09-10 We live near the edge whether in a settlement at the core of the Rockies a gated community tucked into the wilds of the Santa Monica Mountains a silicon culture emerging in the suburbs or in the future homesteading on a terraformed Mars In Imagined Frontiers urban historian and popular culture scholar Carl Abbott looks at the work of American artists who have used novels film television maps and occasionally even performance art to explore these frontiers the metropolitan frontier of suburban development the classic continental frontier of American settlement and the yet unrealized frontiers beyond Earth Focusing on writers and artists working during the past half century an era of global economic and social reach Abbott describes the dialogue between historians and social scientists seeking to understand these frontier places and the artists reimaging them in written and visual fictions This book offers perspectives on such well known authors as T C Boyle and John Updike and on such familiar movies and television shows as Falling Down and The Sopranos By putting The Rockford Files and the cult favorite Firefly in conversation with popular fiction writers Robert Heinlein and Stephen King and literary novelists Peter Matthiessen and Leslie Marmon Silko Abbott interweaves the disparate subjects of western history urban planning and science fiction in a single volume Abbott combines all new essays with others previously published but substantially revised to integrate western and urban history literary analysis and American studies scholarship in a uniquely compelling analysis of

the frontier in popular culture **Akyab, 1917** Burma Rights Movement for Action, 1917 *John Jakes* Mary Ellen Jones, 1996-11-01 John Jakes often called the people's author and godfather of the historical novel has made American history come to life in his series *The Kent Family Chronicles* and *The North and South Trilogy*. Through these novels Jakes conveys the sweep of American history both its glory and its grim scenes from the American Revolution to the opening moments of the 20th century. Never glossing over the nation's flaws slavery materialism a double edged Manifest Destiny Jakes nevertheless affirms American values. This is the first full length critical study of his work. It examines in detail Jakes 13 major novels to date and assesses his methods as America's history teacher. In Part I following a chapter on Jakes life Jones examines the early novels and Jakes use of the genres of historical fiction the western and the historical family saga. Part II *The Kent Family Chronicles* devotes an individual chapter to each of the novels in this series *The Bastard* *The Rebels* *The Seekers* *The Furies* *The Titans* *The Warriors* *The Lawless* and *The Americans*. Part III *New Beginnings* features chapters on *North and South* *Love and War* and *Heaven and Hell* and chapters on *California Gold* and *Homeland*. The examination of each novel in this study includes sections on plot development character development and thematic issues. Jones also offers an alternative critical perspective from which to read each novel such as feminist literary criticism New Historicism Marxist criticism and Deconstructionism that gives the reader an alternative viewpoint from which to consider the novel. A complete bibliography of all of John Jakes work works about John Jakes and a listing of reviews of all the novels examined in the book concludes the study.

Six Gun Planet Introduction

In the digital age, access to information has become easier than ever before. The ability to download Six Gun Planet has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Six Gun Planet has opened up a world of possibilities. Downloading Six Gun Planet provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Six Gun Planet has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Six Gun Planet. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Six Gun Planet. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Six Gun Planet, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Six Gun Planet

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
