7 PRINCIPLES OF SUCCESSFUL RELATIONSHIPS

ENHANCE YOUR LOVE MAPS

You know your partner's inner world, from life dreams to favorite movies, as a best friend would.

NURTURE FONDNESS AND ADMIRATION

You have a positive view and deep appreciation of your partner and express it.

TURN TOWARD EACH OTHER INSTEAD OF AWAY

State your needs, be aware of bids for connection, and turn towards them.

LET YOUR PARTNER INFLUENCE YOU

You shouldn't make important life decisions autonomously, as a single person would.

SOLVE YOUR SOLVABLE PROBLEMS

All couples have solvable and perpetual problems, but long-term couples solve those they can and understand there will always be perpetual problems.

OVERCOME GRIDLOCK

What often underlies perpetual problems are unfulfilled dreams. Talk about those dreams to make peace with the problem.

CREATE SHARED MEANING

Develop the big and small rituals that help build the bond with your partners. Rituals range from hosting an annual party to having coffee together in the morning.

Six Levels Of A Happy Marriage:

Six Levels of a Happy Marriage Medard Laz,1978-09 *Next Level Marriage* Kerry A. Clark,2024-06-20 If you were allowed to sit in on a couples coaching session with us what follows is a brief description of the five sections covered

Understanding the Relationship Life Cycle A relationship goes through cycles Knowing this provides a clue to how a couple can prepare for the upcoming cycles and how to cycle proof one s marriage

Defining The Intent of Marriage This section covers why two people should desire to bring their lives together appropriately and define a purpose for the marriage

Getting To Know Your 7 Levels of Relationships Relationships can be summed up in seven classifications which give a couple a way to brace for how each relationship level directly impacts a marriage

Redefining LOVE Do We Really Love Each Other The biggest mistake made is assuming one understands what love is and what it means to be loved

Clearing up this natural assumption is a key to having success in marriage

Putting It All Together The last step we take is helping the couple put it all together from ceremony to keeping their marriage healthy for years to come

The Seven Levels of Intimacy Matthew Kelly,2005-11 We All Crave An Authentic Experience Of Intimacy Though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task

Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves

InThe Seven Levels of Intimacy Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy

Matthew reveals that each relationship is built upon a pattern of interaction

In the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts

We grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints

Once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings

developing trust With this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone

At last we are deeply intimate and both willing and able to reveal our deepest fears

We are beyond judgment and feel trust and acceptance

By moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved

It is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness

The Seven Levels of Intimacyis a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner

With profound insight and the use of powerful everyday examples Matthew Kelly explains how we can nurture the intimacy in our relationships

The Seven Levels of Intimacyredefines how we view our interactions with others

This new understanding leads

us to successfully create the strong connections deep joy and lasting bonds that we all long for **Reignite Your Marriage in Two Days** Michael Smalley, Ph.D., Amy Smalley, M.A., 2016-04-25 Reignite Your Marriage in Two Days is a groundbreaking new book where couples discover seven key strategies proven to unlock the passion in their relationship
