Inside Edge: A Revealing Journey Into the Secret World of Figure Skating Christine Brennan, 2022-02-01

Figure skating is the most beautiful and mysterious of all sports. When the skaters are on the ice, every twitch of a muscle and every slip of a skate blade is visible for the world to see. In *Inside Edge*, Christine Brennan chronicles for the first time a season on the skating circuit, intimately portraying the lives on and off the ice of the sport's current and upcoming stars. Woven into the narrative are stories of figure skating luminaries including Peggy Fleming, Janet Lynn, Katarina Witt, Brian Boitano, Scott Hamilton, Kristi Yamaguchi, Nancy Kerrigan, Oksana Baiul, Michelle Kwan, Rudy Galindo, and Tara Lipinski. Revealing the backstage conflicts, high profile figure skaters face, and the ambition that drives them, Brennan also tells the stories of their families, of improbable rises to the top and of wasted talents. If skaters are perfect, they can become international heroes. But if they fall, if they miss a three revolution jump on a quarter inch blade of steel, the despair is theirs alone. This is their life on the edge, where decades of training culminate in little more than four crucial minutes on the ice. There is no other sport like it. There is no other story like theirs.
