**Riding Street Courses** Justin Hocking, Peter Michalski, 2016-07-15  
As skateboarding has grown in popularity, the venues built specifically for skating have grown in number too. Much like earlier generations built baseball fields and basketball courts, modern-day municipalities and other entities are building skate parks. In this book, readers will discover how there has rarely been as good an era to skate street courses and obstacles at local parks, which provide the challenge and variety skaters used to only be able to find on the streets. This book provides safety and equipment guidelines and gives step-by-step instructions for popular tricks like ollies, grinds, manuals, flips, slides, and more.

**Skateboarding** Ben Wixon, 2009  
Skateboarding provides safe and effective skateboarding instruction and programming, as well as information on building and managing skateparks. You'll get all the tools you need to do everything from teaching fundamental skateboarding skills to designing and running a park to meet the needs of your community.
