Journal of Physical Education, Recreation & Dance ,1990 **Paperbound Books in Print** ,1991 The Publishers Weekly ,1990 **Forthcoming Books** Rose Army,1990 Subject Guide to Books in Print ,1993 **Whitaker's Books in Print** ,1998 Backpacker ,2007-09 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured

The Get-Outside Guide to Winter Activities Andrew Foran,Kevin Redmond,TA Loeffler,2016-11-17 A recent surge in people s reconnecting with nature has resulted in numerous reference books for outdoor program leaders but until now there has been a dearth of books aimed at wintertime pursuits The Get Outside Guide to Winter Activities unlocks the door to a wealth of fun and adventure in the snow Activities have been compiled by keepers of the trail experienced winter trekker leaders who know how to lead people in outdoor winter activities that are safe and fun and help people experience the joy of being active outdoors during the cold months of the year This guide offers activities and games that have the following features Appropriate for multiple age groups Easily modifiable to adapt to varying skillsets Designed for a variety of locales such as schoolyards community trails urban and remote parks and wilderness settings The guide offers activities that are suitable for groups of varying skill levels and experience Most activities are simple and quick and require little preparation and few props Those interested in doing more can explore snowshoeing or Nordic skiing activities and even exploratory outings and winter day trips from a base camp to overnight or

extended camping excursions The book includes tactical snow games and activities and even has icebreakers for games In addition solo winter trekkers can use the activities and lessons as a launching point to prepare them in leading groups in winter outings Leaders are shown how to build in activities that call on typical age level skills of participants The essential skills progression built into the activities helps leaders offer instructional strategies that allow all participants to take part within their ability and leaders are provided with ideas to modify all approaches and activities to ensure inclusion for all in their group In addition to the game and activity modifications the book offers winter facts that enhance participants knowledge about the science of snow and winter as well as charts and graphs that focus on safety in winter The Get Outside Guide to Winter Activities offers a planning framework that balances winter fun with skills and safety and prepares leaders to guide others in enjoying activities in the snow You will learn about activities that require little or no props adaptive snow games tips based on actual winter excursions gear requirements and leadership suggestions shared by winter experts How to stay warm and dry while winter camping What and how to eat drink and cook in the winter What gear you need for a snow expedition What games and activities are great for campsites How to teach basic snowshoeing and Nordic skiing skills The keys to managing groups outside in winter You ll also learn how to make the most of winter opportunities through tried and true ideas skill progressions and games and activities that open up an entire season s worth of enjoyment learning and adventure People shy away from outdoor winter activities for three reasons says Andrew Foran one of the book s authors There s an overemphasis on the skills that are thought to be required for participation Granted in some cases skills are essential but it s how you approach the teaching and practicing of those skills that makes the difference Then there s a belief that the wintertime outdoors is to be feared rather than embraced And finally people are lacking a bank of ideas of things to do to keep them engaged and having fun outdoors in the winter The Get Outside Guide to Winter Activities addresses all three misconceptions and in the process shows you as a leader how to help your participants have fun in the snow build skills and create lasting memories that will keep them looking forward to the next big snowfall
