Skis in the Art of War K. B. E. E. Eimeleus, 2019-10-15 K B E E Eimeleus was ahead of his time with his advocacy of ski training in the Russian armed forces Employing terminology never before used in Russian to describe movements with which few were familiar Skis in the Art of War gives a breakdown of the latest techniques at the time from Scandinavia and Finland Eimeleus s work is an early and brilliant example of knowledge transfer from Scandinavia to Russia within the context of sport Nearly three decades after he published his book the Finnish army employing many of the ideas first proposed by Eimeleus used mobile ski troops to hold the Soviet Union at bay during the Winter War of 1939 40 and in response the Soviet government organized a massive ski mobilization effort prior to the German invasion in 1941 The Soviet counteroffensive against Nazi Germany during the winter of 1941 42 owed much of its success to the Red Army ski battalions that had formed as a result of the ski mobilization In this lucid translation that includes most of the original illustrations scholar and former biathlon competitor William D Frank collaborates with E John B Allen known world wide for his work on ski history

Winter Warfare Richard N. Armstrong, Joseph G. Welsh, 2014-06-03 Based on German and Soviet military archival material this book provides an insight into the tactics and planning for combat in a winter climate It also studies the mechanisms for change in an army during the course of battle The first part of the book looks at the tactical pamphlet People s Commissar for Defence Order No 109 as passed by Red Army units on 4 March 1941 which provided regulations for combat in Winter The second part of the book using material from the Soviet military archives reveals Red Army General Staff supplements to the winter regulation

Handbook on German Military Forces Bob Carruthers, 2013-05-15 The Handbook On German Military Forces is an indispensable primary reference source for historians and enthusiasts In 1945 the Allies were still engaged in bitter fighting against stiff resistance from the German armies in the west The US War Department was determined to do its best to equip

the US forces fighting the Germans in the field with as much knowledge as possible March 1945 saw the issue of an astonishing document entitled the Handbook On German Military Forces This was a truly remarkable work of intelligence gathering which formed a vast compendium of all the relevant knowledge amassed on the German Wehrmacht Amazingly accurate and comprehensive the Handbook ran to over six hundred pages and was designed to equip commanders in the field with everything they were likely to need to know about the German forces The Handbook remained classified until 1953 and then slipped into obscurity This new paperback reprint rescues this great work from obscurity covering the psychology organisation tactics and operational aspects of the German forces The weapons machines aircraft and uniforms of the German forces are also documented within the Handbook The Handbook On German Military Forces is a fascinating primary reference source for historians and enthusiasts alike providing an invaluable insight into the detail of the German Army which is still an unrivaled source of information today *Handbook on Aggressor Military Forces* United States.
