Skills In Collaborative Classroom Consultation:

Skills in Collaborative Classroom Consultation Anne Jordan, 2012-12-06 As the integration of children with special educational needs into ordinary classrooms progresses most special needs professionals spend an increasing amount of time in mainstream schools working with teachers in the classroom on interventions for individual children and with head teachers and senior management teams on whole school policy Skills in Classroom Consultation is a practical guide to the tools and techniques required to work effectively with colleagues in defining goals allocating responsibility and formulating strategies It shows how consultative skills can be used to solve particular educational problems and also how the consultant professional can act in a more far reaching way as an agent of change within an institution

Commonsense Methods for Children with Special Needs Peter S. Westwood, 1997 This is a book that should be required reading for all Secretaries of State for Education It was easy to read and ought to find a place in as many staff libraries as possible Education Review

The Special Educational Needs Co-ordinator's Handbook Garry Hornby, Gregan Davis, Geoff Taylor, 2013-11-05 In September 1994 the Code of Practice on the Identification and Assessment of Special Educational Needs came into force and with it a major increase in the expectations placed on teachers in mainstream schools in particular on the SEN coordinators This handbook discusses the implications for schools and gives practical guidance on how to implement the code effectively Throughout the book provides Further information expanding upon that given in the Code Examples Ideas for dealing with SEN in schools Checklists Proformas for photocopying and direct use in schools The book begins by explaining and expanding on the Code of Practice setting it in the context of recent developments including the Education Reform Act and OFSTED criteria for evaluating policy and provision for children in SEN It then goes on to provide guidelines for implementing the Code of Practice at each of the five stages which it specifies and discusses issues which are raised by this Specific chapters cover Identifying and assessing SEN within the school Liaison with outside specialists Statemending Annual reviews Knowledge needed by classroom teachers of children with SEN Implications and issues at different stages of the education system Parental involvement Future challenges The book will be of particular interest to special needs coordinators but will also be of value to anyone else working with children with SEN including class teachers heads advisers governors educational psychologists and education welfare officers

Special Educational Provision in the Context of Inclusion Janice Wearmouth, 2013-05-13 This text traces the development of special educational provision and goes on to concentrate on some of the key issues relevant to professionals currently working in the field It looks at the recent drive towards inclusion and the implication this has for schools In the present market oriented context in education there are a number of dilemmas facing schools that attempt to include all pupils and at the same time respond to the current focus on academic achievement in a national climate of competition and accountability The book offers practical examples of ways to resolve these dilemmas at the level of the LEA the school the classroom and the individual child Part One gives an overview

of special and inclusive education current thinking around issues related to equal opportunities and how this affects schools It also illustrates how one Local Education Authority has tried to promote a policy of inclusion in its schools Part Two includes a discussion of the challenges facing teachers in schools who attempt to put current national policies related to inclusion into practice and provides practical examples of whole school and classroom initiatives to support the learning of groups of pupils and individuals within them Included are chapters on professional development for teachers of special educational needs classroom strategies for teacher and pupil support teachers and advice on differentiation OFSTED and inclusive schools the SENCO in the secondary school and equal opportunities for all This book will appeal to all teachers SENCOs head teachers and governors in every sector of the education system parents academics and course members on teachers continuing professional development courses

Educating the Gifted and Talented Catherine Clark, Ralph Callow, 2013-01-11 Following the publication of the House of Commons Education Select Committee Report in 1999 the Department of Education and Employment has set up a number of initiatives including Excellence in Cities to address the problematic issues relating to provision for gifted and talented pupils in primary and secondary schools This book rehearses and develops further the central idea put forward by the authors in the first edition titled *Educating Able Children* that teachers remain the essential resource to ensure appropriate provision for gifted and talented pupils They suggest ways in which teachers may become an effective and efficient resource consider how teachers might take advantage of current initiatives to facilitate their own professional development provide ideas at classroom departmental and school level to facilitate appropriate provision and include a comprehensive and up to date list of resources

Parent-Child Interaction Therapy Cheryl Bodiford McNeil, Toni L. Hembree-Kigin, 2010-03-10 Over the past two decades Parent Child Interaction Therapy PCIT emerged as a leading edge method for helping parents improve their children s disruptive and oppositional behavior Today PCIT has a robust evidence base is used across the country in settings as diverse as hospitals mental health centers schools and mobile clinics and is rapidly gaining popularity in other parts of the world In keeping with this increasing recognition of PCIT s effectiveness the authors of Parent Child Interaction Therapy present this expanded clinical edition to keep readers up to date on new practice developments current treatment protocols and the latest research findings This update retains the fundamentals as detailed by PCIT s founder Dr Sheila Eyberg including an overview of the therapy detailed description of the course of treatment and handout materials The text goes further to explore the evolution of PCIT outside the original target ages of three to six including preventive PCIT for very young children at risk and examines the use of PCIT with special child populations such as abuse victims and those with ADHD Contributing experts discuss uses of the therapy in school at home with minorities and with highly stressed families But regardless of the population setting or topic covered interventions remain faithful to basic PCIT principles and methods New features of the expanded second edition include Adaptations of PCIT for babies toddlers preteens and siblings Applications for abuse survivors children with
