evolved out of one person's desire to portray God in a truer light. In the Book of Job, God reprimanded Job's friends for failing to speak truthfully about Him. They misrepresented His character. Job, on the other hand, understood His Maker and was therefore the single voice of truth in an otherwise corrupt world. Can you honestly say that you know your Creator? Can you speak truthfully about Him? This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character. He is, if nothing else, a God of love and compassion. At the conclusion of your devotionals, I have formulated a Love Quotient (LQ) test to measure the depth of your love. The questions are designed to be thought provoking and insightful. You may also find them a bit daunting and uncomfortable. Answer each question according to your beliefs. There are no wrong or right answers. It is my hope you will find this little exercise revealing and instructive of how you love. The answers and Key is also included. Your heart is what you're all about. May you understand God's love for you.
