unknown Colm Kelleher spent hundreds of days and nights on the Skinwalker property and experienced firsthand many of its haunting mysteries With investigative reporter George Knapp the only journalist allowed to witness and document the team's work Kelleher chronicles in superb detail the spectacular happenings the team observed personally and the theories of modern physics behind the phenomena Far from the coldly detached findings one might expect their conclusions are utterly hair raising in their implications Opening a door to the unseen world around us Hunt for the Skinwalker is a clarion call to expand our vision far beyond what we know
