The American Skyscraper Roberta Moudry, 2005-05-09 Publisher Description The American Skyscraper, 1850-1940 Joseph J. Korom, 2008 The skyscraper is an American invention that has captured the public s imagination for over a century The tall building is wholly manmade and borne in the minds of those with both slide rules and computers This is the story of the skyscraper s rise and the recognition of those individuals who contributed to its development This volume is unique its approach information and images are fresh and telling The text examines America s first tall buildings the result of twelve years of in depth research by an accomplished and published architect and architectural historian Over 300 compelling photographs charts and notes make this the ultimate tool of reference for this subject Biographies woven throughout with period norms politics and lifestyles help to place featured skyscrapers in context Quite simply there is no book like this The text carefully and insightfully written is clear concise and easily digestible the text being the product of well documented original research written in an informative tone The American Skyscraper 1850 1940 A Celebration of Height is a richly documented journey of a fascinating topic and it promises to be a superb addition to libraries schools of architecture students of architecture and lovers of art How Did Poetry Survive? John Timberman Newcomb, 2012-03-20 How Did Poetry Survive traces the emergence of modern American poetry at the turn of the nineteenth century American poetry had stalled a small group of recently deceased New England poets still held sway and few outlets existed for living poets However the United States quickly accelerating urbanization in the early twentieth century opened new opportunities as it allowed the rise of publications focused on promoting the work of living writers of all kinds The urban scene also influenced the work of poets shifting away from traditional subjects and forms to reflect the rise of buildings and the increasingly busy bustle of the city Change was everywhere new forms of architecture and transportation new immigrants new professions new tastes new worries This urbanized world called for a new poetry and a group of new magazines entirely or chiefly devoted to exploring modern themes and forms led the way Avant garde little magazines succeeded not by ignoring or rejecting the busy commercial world that surrounded them but by adapting its technologies of production and strategies of marketing for their own purposes Raymond Jonson and the Spiritual in Modernist and Abstract Painting Herbert R. Hartel, Jr., 2018-02-21 This is the most thorough and detailed monograph on the artwork of Raymond Jonson He is one of many artists of the first half of the twentieth century who demonstrate the richness and diversity of an under appreciated period in the history of

American art Visualizing the spiritual was one of the fundamental goals of early abstract painting in the years before and during World War I Artists turned to alternative spirituality the occult and mysticism believing that the pure use of line shape color light and texture could convey spiritual insight Jonson was steadfastly dedicated to this goal for most of his career and he always believed that modernist and abstract styles were the most effective and compelling means of achieving it *The Apartment Complex* Pamela Robertson Wojcik, 2018-09-13 From the bachelor pad that Jack Lemmon's C C Baxter loans out to his superiors in Billy Wilder's *The Apartment* 1960 to the crumbling tenement in a dystopian Taipei in Tsai Ming-liang's *The Hole* 1998 the apartment in films and television series is often more than just a setting it can motivate or shape the narrative in key ways Such works belong to a critical genre identified by Pamela Robertson Wojcik as the apartment plot which comprises specific thematic visual and narrative conventions that explore modern urbanism's various forms and possibilities In *The Apartment Complex* a diverse group of international scholars discuss the apartment plot in a global context examining films made both within and beyond the Hollywood studios The contributors consider the apartment plot's intersections with film noir horror comedy and the musical addressing how different national or historical contexts modify the apartment plot and how the genre's framework allows us to rethink the work of auteurs and identify productive connections and tensions between otherwise disparate texts Contributors Steven Cohan Michael DeAngelis Veronica Fitzpatrick Annamarie Jagose Paula J Massood Joe McElhaney Merrill Schleier Lee Wallace Pamela Robertson Wojcik *The Routledge Companion to Media and the City* Erica Stein, Germaine R. Halegoua, Brendan Kredell, 2022-07-29 Bringing together leading scholars from around the world and across scholarly disciplines this collection of 32 original chapters provides a comprehensive exploration of the relationships between cities and media The volume showcases diverse methods for studying media and the city and posits media urbanism as an approach to the co-construction and interactions among media texts and technologies media users media industries media histories and urban space Chapters serve as a guide to humanities-based ways of studying urban imaginaries infrastructures and architectures development and redevelopment and strategies and tactics as well as a provocation toward new lines of inquiry that further explore the dense interconnectedness of media and cities Structured thematically the chapters are organized into four distinct sections introduced with editorial commentary that places the chapters into conversation with each other and frames them in relation to an overarching question problem or method Part I Imaginaries and cityscapes focuses on screen representations and mediated experiences of urban space produced and consumed by various actors Part II Architectures and infrastructures highlights the different ways in which built environments and socio-technical substrates that sustain differential mobilities urban rhythms and systems of circulation and exchange are intertwined with various forms of media and mediation Part III Development and redevelopment examines efforts by urban planners and designers municipal governments and community organizers to utilize media forms to imagine and shape the construction of the space and meaning of the city finally Part IV Strategies and tactics uses categories for

practices of control and resistance to investigate media and struggles for power within urban environments from surveillance and place branding to activist media and the right to the city The Routledge Companion to Media and the City provides a definitive reference for both scholars and students of urban cultures and media within the humanities *Manhattan Skyscrapers* Eric Nash,1999-08 The city of New York is the city of skyscrapers Every first time visitor to Manhattan experiences the awe of gazing up at the soaring stone steel and glass towers of Wall Street or Midtown and wonders how those structures came to be built *Manhattan Skyscrapers* answers the question by presenting the 75 most significant tall buildings that make up the city's famous skyline From Louis Sullivan's Bayard Condict Building of 1898 on Bleeker Street to the Conde Nast tower currently rising above Times Square *Manhattan Skyscrapers* lavishly presents over a hundred years of New York's most interesting and important tall buildings Author Eric P Nash profiles familiar skyscrapers such as the Woolworth Building the Empire State Building the Chrysler Building the World Trade Towers the AT also included are quotes from the buildings architects and the architectural critics of the time Each skyscraper is illustrated with full page color photographs by noted photographer Norman McGrath as well as architectural drawings and plans archival images of the original interiors postcards and other ephemera *Manhattan Skyscrapers* is essential reading or an ideal gift for anyone interested in the buildings that make New York the ultimate skyscraper city *Critical Issues In American Art* Mary Ann Calo,2018-02-12 This anthology of essays on different critical approaches and methodologies for the analysis and interpretation of American art and artists is designed for students and teachers in American art history and American studies programs It contains twenty selections from academic journals on American art from colonial times to 1940 Mary Ann Calo provides an introduction to the anthology explaining its purpose and organization and each selection has a brief introduction about its main focus and scholarly approach These case studies show the diversity of scholarly thinking about interpreting American works of art which should be useful for teachers and comprehensible and interesting for students This anthology contains twenty articles on American art from colonial times to 1940 The selections are mainly from academic journals and aim to provide the student and teacher with different critical approaches and methodologies for the analysis and interpretation of American art and artists Mary Ann Calo's preface to the anthology explains its purpose and organization and each article will have a brief introduction about its main focus and scholarly approach This text meets the need in American art history studies for an anthology of essays on critical approaches and methodologies *Imagining New York City* Christoph Lindner,2015-02-02 Using examples from architecture film literature and the visual arts this wide ranging book examines the significance of New York City in the urban imaginary between 1890 and 1940 In particular *Imagining New York City* considers how and why certain city spaces such as the skyline the sidewalk the slum and the subway have come to emblemize key aspects of the modern urban condition In so doing Christoph Lindner also considers the ways in which cultural developments in the late nineteenth and early twentieth centuries set the stage for more recent responses to a

variety of urban challenges facing the city such as post disaster recovery the renewal of urban infrastructure and the remaking of public space

American Technological Sublime David E. Nye, 1996-02-28 American Technological Sublime continues the exploration of the social construction of technology that David Nye began in his award winning book *Electrifying America* Here Nye examines the continuing appeal of the technological sublime a term coined by Perry Miller as a key to the nation s history using as examples the natural sites architectural forms and technological achievements that ordinary people have valued intensely Technology has long played a central role in the formation of Americans sense of selfhood From the first canal systems through the moon landing Americans have for better or worse derived unity from the common feeling of awe inspired by large scale applications of technological prowess American Technological Sublime continues the exploration of the social construction of technology that David Nye began in his award winning book *Electrifying America* Here Nye examines the continuing appeal of the technological sublime a term coined by Perry Miller as a key to the nation s history using as examples the natural sites architectural forms and

technological achievements that ordinary people have valued intensely American Technological Sublime is a study of the politics of perception in industrial society Arranged chronologically it suggests that the sublime itself has a history that sublime experiences are emotional configurations that emerge from new social and technological conditions and that each new configuration to some extent undermines and displaces the older versions After giving a short history of the sublime as an aesthetic category Nye describes the reemergence and democratization of the concept in the early nineteenth century as an expression of the American sense of specialness What has filled the American public with wonder awe even terror David Nye selects the Grand Canyon Niagara Falls the eruption of Mt St Helens the Erie Canal the first transcontinental railroad Eads Bridge Brooklyn Bridge the major international expositions the Hudson Fulton Celebration of 1909 the Empire State Building and Boulder Dam He then looks at the atom bomb tests and the Apollo mission as examples of the increasing ambivalence of the technological sublime in the postwar world The festivities surrounding the rededication of the Statue of Liberty in 1986 become a touchstone reflecting the transformation of the American experience of the sublime over two centuries Nye concludes with a vision of the modern day consumer sublime as manifested in the fantasy world of Las Vegas

Cartoon Vision Dan Bashara, 2019-04-02 In Cartoon Vision Dan Bashara examines American animation alongside the modern design boom of the postwar era Focusing especially on United Productions of America UPA a studio whose graphic abstract style defined the postwar period Bashara considers animation akin to a laboratory exploring new models of vision and space alongside theorists and practitioners in other fields The links theoretical historical and aesthetic between animators architects designers artists and filmmakers reveal a specific midcentury modernism that rigorously reimagined the senses Cartoon Vision invokes the American Bauhaus legacy of L szl Moholy Nagy and Gy rgy Kepes and advocates for animation s pivotal role in a utopian design project of retraining the public s vision to better apprehend a rapidly changing modern world

The Black Skyscraper Adrienne Brown, 2017-11-15 A highly interdisciplinary work The Black Skyscraper reclaims the influence of race on modern architectural design as well as the less well understood effects these designs had on the experience and perception of race

Education and Politics in the 1990s Denis Lawton, 1992 Examines the ideological differences between the education policies of the two main political parties in the UK and discusses the emergence of these differences within the context of the 1988 Education Reform Act It also looks at the world wide influence of the New Right politics on education

Compelling Form J. Donald Ragsdale, 2011-08-08 Compelling Form Architecture as Visual Persuasion is an assessment of the visual persuasiveness of buildings It demonstrates that architecture is as capable of social influence as speeches or advertisements are and that an awareness of this influence provides an insight into buildings cultural roles The book considers a diverse array of structures ranging from museums to performance halls to universities to cathedrals to governmental buildings to palaces and to skyscrapers Compelling Form is an important extension of theories of persuasion and visual communication to architecture and engineering The book bases its assessments on the elements of visual literacy and then on the elements of architectural design to demonstrate that buildings monuments and even such means of commerce as bridges affect the viewer in such a way as to have social impact **Otto Kahn** Theresa M. Collins, 2014-03-01 In the early decades of the twentieth century almost everyone in modern theater literature or film knew of Otto Kahn 1867 1934 and those who read the financial press or followed the news from Wall Street could scarcely have missed his name A partner at one of America's premier private banks he played a leading role in reorganizing the U S railroad system and supporting the Allied war effort in World War I The German Jewish Kahn was also perhaps the most influential patron of the arts the nation has ever seen he helped finance the Metropolitan Opera brought the Ballets Russes to America and bankrolled such promising young talent as poet Hart Crane the Provincetown Players and the editors of the Little Review This book is the full scale biography Kahn has long deserved Theresa Collins chronicles Kahn's life and times and reveals his singular place at the intersection of capitalism and modernity Drawing on research in private correspondence congressional testimony and other sources she paints a fascinating portrait of the figure whose seemingly incongruous identities as benefactor and banker inspired the New York Times to dub him the Man of Velvet and Steel
