Slave Narratives United States. Work Projects Administration, 2019-12-09 Slave Narratives compiled by the United States Work Projects Administration is a vital anthology that presents the firsthand accounts of formerly enslaved individuals in the United States This collection captures the rich tapestry of voices and experiences providing an unvarnished reflection of the brutality of slavery juxtaposed with the resilience and humanity of those who endured it Written in a straightforward and accessible style the narratives are set within the context of the 1930s a period marked by the Great Depression and a renewed focus on America s past showcasing the socio political efforts to document African American history before it was lost to time The Work Projects Administration was established to alleviate unemployment during the Depression and through initiatives like the Slave Narratives project it sought not only to provide jobs but also to preserve crucial cultural histories

The compilation reflects a dedication to social justice and historical accuracy driven by the belief that these voices deserved to be heard and recognized in the American consciousness especially as civil rights movements gained momentum This book is an essential read for anyone interested in American history literature or the ongoing struggle for civil rights The narratives offer profound insights into the lived realities of enslaved individuals inviting readers to confront the legacies of slavery and understand its enduring impact on contemporary society

The American Slave Jules Rawick, Charles T. Davis, Henry Louis Gates Jr., 1991-12-31 *The Slave's Narrative* Charles T. Davis, Henry Louis Gates Jr., 1991-02-21 These autobiographies of Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

Memories of the Enslaved Spencer R. Crew, Lonnie G. Bunch III, Clement A. Price, 2015-09-15 This book offers a first person perspective on the institution of slavery in America providing powerful engaging interviews from the WPA slave narrative collection that enable readers to gain a true sense of the experience of enslavement Today's students understandably have a hard time imagining what life for slaves more than 150 years ago was like The best way to communicate what slaves experienced is to hear their words directly The material in this concise single volume work illuminates the lives of the last living generation of enslaved people in the United States former slaves who were interviewed about their experiences in the 1930s Based on more than 2 000 interviews the transcriptions of these priceless interviews offer primary sources that tell a diverse and powerful picture of life under slavery The book explores seven key topics childhood marriage women work emancipation runaways and family Through the examination of these subject areas the interviews reveal the harsh realities of being a slave such as how slave women were at the complete mercy of the men who operated the places where they lived how nearly every enslaved person suffered a beating at some point in their lives how enslaved families commonly lost relatives through sale and how enslaved children were taken from their parents to care for the children of slaveholders The thematic organizational format allows readers to easily access numerous excerpts about a specific topic quickly and enables comparisons between individuals in different locations or with different slaveholders to identify the commonalities and unique characteristics within the system of slavery
