## **Slavery Today:**

Slavery Today Kevin Bales, Becky Cornell, 2008 Discusses worldwide modern slavery and its effects including the types of modern slavery its relationship with globalization and how the world can end slavery      **Understanding Global Slavery** Kevin Bales, 2005-11-07 Although slavery is illegal throughout the world we learned from Kevin Bales's highly praised exposé *Disposable People* New Slavery in the Global Economy that more than twenty seven million people in countries from Pakistan to Thailand to the United States are still trapped in bondage With this new volume Bales the leading authority on modern slavery looks beyond the specific instances of slavery described in his last book to explore broader themes about slavery's causes its continuation and how it might be ended Written to raise awareness and deepen understanding and touching again on individual lives around the world this book tackles head on one of the most urgent and difficult problems facing us today Each of the chapters in *Understanding Global Slavery* explores a different facet of global slavery Bales investigates slavery's historical roots to illuminate today's puzzles He explores our basic ideas about what slavery is and how the phenomenon fits into our moral political and economic worlds He seeks to explain how human trafficking brings people into our cities and how the demand for trafficked workers servants and prostitutes shapes modern slavery And he asks how we can study and measure this mostly hidden crime Throughout Bales emphasizes that to end global slavery we must first understand it This book is a step in that direction      *The Slave Next Door* Kevin Bales, Ron Soodalter, 2009-06-18 In this riveting book authors and authorities on modern day slavery Kevin Bales and Ron Soodalter expose the disturbing phenomenon of human trafficking and slavery that exists now in the United States In *The Slave Next Door* we find that slaves are all around us hidden in plain sight the dishwasher in the kitchen of the neighborhood restaurant the kids on the corner selling cheap trinkets the man sweeping the floor of the local department store In these pages we also meet some unexpected slaveholders such as a 27 year old middle class Texas housewife who is currently serving a life sentence for offences including slavery Weaving together a wealth of voices from slaves slaveholders and traffickers as well as from experts counselors law enforcement officers rescue and support groups and others this book is also a call to action telling what we as private citizens can do to finally bring an end to this horrific crime      **Slavery Past, Present and Future** Catherine Armstrong, Jaya Priyadarshini, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Spanning swaths of time and space slavery as a phenomenon has known intersections of class gender race caste etc The historical experiences of slaves is more or less lacking in the pedagogic or intellectual knowledge but its legacy in modern times is felt in the marginalisation stigmatisation remorse or shame of the slave descendants Contrary to historical slavery the presence of modern or twenty first century slavery is variously mired in the complex and contested terrains of its definition Today the political and economic context of human conditions globally has muddled the understanding of servitude Its resurgence in newer avatars along with institutional or informal upholders challenges its abolition Hearing the slave voices more than the

hegemonic involvement of the abolitionists is required for its complete abolition A unified public activism and awareness as always will go a long way in ending it while upholding social justice

**The Worst of Indignities: The Catholic Church on Slavery** Paul Kengor,2023-06-26 Many Americans think of slavery as their nation s original sin But in truth slavery has involved peoples and cultures and countries far beyond the United States Slavery is as old as human history itself And yet the one living institution that has condemned slavery longer and more consistently than any other is the Roman Catholic Church In *The Worst of Indignities* The Catholic Church on Slavery bestselling author Paul Kengor shines a light on The record and biblical roots of the Church s teaching on slavery The efforts of individuals and institutions within the Church to not only bring about freedom for enslaved people but to care for their physical and spiritual needs The stories of former slaves whose lives of exemplary holiness have placed them on the path of sainthood At a time when race relations are so bitter we need the clarifying truth to unite us all The story of the Roman Catholic Church s bold and divine opposition to slavery is one unknown to Catholics and non Catholics alike It is time for that story to be told

**Modern Slavery** Siddharth Kara,2017-10-10 Siddharth Kara is a tireless chronicler of the human cost of slavery around the world He has documented the dark realities of modern slavery in order to reveal the degrading and dehumanizing systems that strip people of their dignity for the sake of profit and to link the suffering of the enslaved to the day to day lives of consumers in the West In *Modern Slavery* Kara draws on his many years of expertise to demonstrate the astonishing scope of slavery and offer a concrete path toward its abolition From labor trafficking in the U S agricultural sector to sex trafficking in Nigeria to debt bondage in the Southeast Asian construction sector to forced labor in the Thai seafood industry Kara depicts the myriad faces and forms of slavery providing a comprehensive grounding in the realities of modern day servitude Drawing on sixteen years of field research in more than fifty countries around the globe including revelatory interviews with both the enslaved and their oppressors Kara sets out the key manifestations of modern slavery and how it is embedded in global supply chains Slavery offers immense profits at minimal risk through the exploitation of vulnerable subclasses whose brutalization is tacitly accepted by the current global economic order Kara has developed a business and economic analysis of slavery based on metrics and data that attest to the enormous scale and functioning of these systems of exploitation Beyond this data driven approach *Modern Slavery* unflinchingly portrays the torments endured by the powerless This searing expos documents one of humanity s greatest wrongs and lays out the framework for a comprehensive plan to eradicate it

*The Poverty of Slavery* Robert E. Wright,2017-02-20 This ground breaking book adds an economic angle to a traditionally moral argument demonstrating that slavery has never promoted economic growth or development neither today nor in the past While unfree labor may be lucrative for slaveholders its negative effects on a country s economy much like pollution drag down all members of society Tracing the history of slavery around the world from prehistory through the US Antebellum South to the present day Wright illustrates how slaveholders burden communities and governments with the task of maintaining the system while preventing productive individuals from participating in the economy Historians economists policymakers and anti slavery activists need no longer apologize for opposing the dubious benefits of unfree labor Wright provides a valuable resource for exposing the hidden price tag of slaving to help them pitch antislavery policies as matters of both human rights and economic well being
