Who do we anthropologists think we are And how do forms and notions of collective disciplinary identity shape the way we think write and do anthropology This volume explores how the anthropological we has been construed transformed and deployed across history and the global anthropological landscape Drawing together both reflections and ethnographic case studies it interrogates the critical yet poorly studied roles played by myriad anthropological we as in generating and influencing anthropological theory method and analysis In the process new spaces are opened for reimagining who we are and what we and indeed anthropology could become     Slavery in Arunachal Pradesh Amrendra Kumar Thakur, 2003 This Book Should Prove To Be Of Interest To Students And Researchers Of The Social And Economic History Of The Tribal Societies Especially Of Arunachal Pradesh     **The Opium Queen** Gabrielle Paluch, 2023-04-15

Publishers Weekly calls the book a jaw dropping study of a lesser known yet larger than life figure Opium Queen is the true story of the widely mythologized genderqueer Burmese opium pioneer of noble Chinese descent Olive Yang who secretly ran an anti communist rebel army supported by the CIA in the 1950s heyday of the Golden Triangle Olive Yang was a widely mythologized genderqueer lesbian opium pioneer in the 1950s heyday of the Golden Triangle After escaping an arranged marriage with a noble cousin Olive felt that she had no choice but to lead a life of banditry with an anti communist rebel army supported by the CIA As her smuggling empire grew she became so powerful and infamous novelists were inspired to write about her evil ruthlessness and beauty Yet Olive s real life and identity remained a mystery to many To the Kokang people whom the Yang family once ruled Olive was both folk hero and villain To the communists Olive s men harassed she was the saboteur of the historic Sino Burmese border agreement To the generals who jailed her at the dawn of the Burmese military era she was a national security threat And to at least one man at the CIA she was Miss Hairy Legs Opium Queen is a journey to uncover the true story behind the propaganda and legends Declassified intelligence documents portray Olive as a critical operator in one of the most important fronts of the clandestine Cold War against China Through extensive interviews with the Yang family Olive emerges as a complex anti hero searching for a way to live as an open homosexual in an era when such a lifestyle was considered deeply shameful in Burma The great military alliances that facilitate narcotics traffic in Myanmar today are Olive s lasting legacy in the Golden Triangle as is the disenfranchisement of the people of Kokang

Through the story of Olive's formidable life *Opium Queen* examines historic events that underpinned critical diplomatic relationships between the U S Myanmar and China and were at the root of Myanmar's current political crisis **The Rough Guide to Southwest China** Rough Guides,2013-09-05 Full colour throughout The Rough Guide to Southwest China is the ultimate travel guide to one of the world's most compelling regions With 30 years experience and our trademark tell it like it is writing style Rough Guides cover all the basics with practical on the ground details as well as unmissable alternatives to the usual must see sights At the top of your to pack list and guaranteed to get you value for money each guide also reviews the best accommodation and restaurants in all price brackets we know there are times for saving and times for splashing out In The Rough Guide to Southwest China Over 50 colour coded maps featuring every listing Area by area chapter highlights Chinese characters pinyin in the text to help with pronunciation Top 5 boxes Things not to miss section Make the most of your trip with The Rough Guide to Southwest China Originally published in print in 2012 Now available in ePub format

*The Nuosu Book of Origins* ,2019-06-06 Open access edition DOI 10.6069/9780295745701 The Nuosu people who were once overlords of vast tracts of farmland and forest in the uplands of southern Sichuan and neighboring provinces are the largest division of the Yi ethnic group in southwest China Their creation epic plots the origins of the cosmos the sky and earth and the living beings of land and water This translation is a rare example in English of Indigenous ethnic literature from China Transmitted in oral and written forms for centuries among the Nuosu The Book of Origins is performed by bimo priests and other tradition bearers Poetic in form the narrative provides insights into how a clan and caste based society organizes itself dictates ethics relates to other ethnic groups and adapts to a harsh environment A comprehensive introduction to the translation describes the land and people summarizes the work's themes and discusses the significance of The Book of Origins for the understanding of folk epics ethnoecology and ethnic relations **Gathering Medicines** Judith Farquhar,Lili Lai,2021-04-26 The central government of China recently called for all of the nation's registered minorities to salvage sort synthesize and elevate folk medical knowledges in an effort create local health care systems comparable to the nationally supported institutions of Traditional Chinese Medicine *Gathering Medicines* bears witness to this remarkable moment of systematization while sympathetically introducing the myriad therapeutic traditions of Southern China Over a period of six years Judith Farquhar and Lili Lai went up into the mountains to work with seven minority nationality groups observing how medicines were gathered and local systems of knowledge codified A testament to the rural wisdom of mountain healers this collaborative ethnography theorizes from the ground up the dynamic encounters between formal statist knowledge and the authority of the wild *Learning to Give* Ken Russell,Joan Tooke,2016-05-04 *Learning to Give* as Part of Religious Education attempts to answer the question what is actually to go on in a lesson about life or reality It takes as its starting point a sure ground of adolescent concern the compassion for human suffering which is normally awakened and keenly felt in the middle teens It then proceeds to inform this compassion it explores the depth and shape of the need it

amasses the facts of the situation it illustrates the human meaning of it with quotation from biography and poetry and personal documents it describes the efforts made in active compassion to relieve the need and it makes suggestions of ways in which the young can share in the work of relief Finally it marches on to biblical and other statements about the human situation that set these specific agonizing points of suffering against the vast problem of evil viewed in the light of a belief in a God who cares thus lifting the human adventure from its sublunar situation on to a cosmic level

**Stories from an Ancient Land** Magnus Fiskesjö,2021-08-13 The Wa people have a rich civilization of their own and a deep history in the mountains of Southeast Asia Their mythology suggests their land is the first place inhabited by humans which they care for on behalf of the world This book introduces aspects of Wa culture including their approach to the world s troubles and the lessons others might learn from it It also presents a new interpretation of Wa headhunting questioning explanations that see it as a primitive custom and instead placing it within the fraught history of the last few centuries

Changing Ethnicity Zhitian Guo,2019-07-10 This book investigates the changes in ethnicity in contemporary China by examining the Yi in Liangshan With a particular focus on cadres a seemingly highly politicized group this book tries to contribute to the discussion of ethnopolitics in China and the politicization of ethnicity This study categorizes cadres into three generations and discovers that for the veteran echelon ethnicity is related to an emotional expression for the second generation it is more about a political discourse and competitions and for the third generation it takes the form of symbolic ethnicity that resonates in everyday life Changing ethnicity of Yi is a miniature portrayal of the social development in China and demonstrates the interplay between ethnicity and ethnopolitics and how these interactions are expressed in people s everyday life The valuable context offered in this book for discussions about ethnicity in contemporary China will be of interest to China scholars ethnologists and political scientists

Department of the Army Pamphlet ,1972 Watching China Change Robert C. Cosbey,2001 Between May 1976 while Mao was still alive and 1997 when Deng Xiaoping died was a time of tremendous change in China from the Great Proletarian Cultural Revolution to the affluent eighties and nineties from socialism to what looks like unrestrained capitalism and from a mysterious country wrapped in isolation to one of the key players in modern international affairs It s a dramatic story that involves a fifth of the human race and impinges on the rest I am moved to get down on paper my memories and observations about my twenty five year experience with China Neither a eulogy nor an expos just as honest an account as I can make it of the China I saw and experienced

**Slavery in the American Mountain South** Wilma A. Dunaway,2003 Wilma Dunaway breaks new ground by focusing on slave experiences on small plantations in the Upper South She argues that a region was not buffered from the political economic and social impacts of enslavement simply because it was characterized by low black population density and small slaveholdings By drawing on a massive statistical data base derived from antebellum census manuscripts and county tax records of 215 counties in nine states on a vast array slaveholder manuscripts and on regional slave narratives she pinpoints several

indicators that distinguished Mountain South enslavement from the Lower South      **Minority Groups in North Vietnam**

**East Wind** Tom Buchanan, 2012-04-19 East Wind offers the first complete archive based account of the relationship between China and the British Left from the rise of modern Chinese nationalism to the death of Mao Tse tung Beginning with the Hands Off China movement of the mid 1920s Tom Buchanan charts the mobilisation of British opinion in defence of China against Japanese aggression 1931 1945 and the role of the British left in relations with the People s Republic of China after 1949 He shows how this relationship was placed under stress by the growing unpredictability of Communist China above all by the Sino Soviet dispute and the Cultural Revolution which meant that by the 1960s China was actively supported only by a dwindling group of enthusiasts The impact of the suppression of the student protests in Tiananmen Square June 1989 is addressed as an epilogue East Wind argues that the significance of the left s relationship with China has been unjustly overlooked There were many occasions such as the mid 1920s the late 1930s and the early 1950s when China demanded the full attention of the British left It also argues that there is nothing new in the current fascination with China s emergence as an economic power Throughout these decades the British left was aware of the immense unrealised potential of the Chinese economy and of how China s economic growth could transform the world In addition to analysing the role of the political parties and pressure groups of the left Buchanan sheds new light on the activities of many well known figures in support of China including intellectuals such as Bertrand Russell R H Tawney and Joseph Needham Many other interesting stories emerge concerning less well known figures which show the complexity of personal links between Britain and China during the twentieth century
