Sleep It Off Lady Stories:

Sleep it Off Lady Jean Rhys, 1919 *Sleep it Off Lady* Jean Rhys, 1976 Sixteen stories which include two in Dominica the West Indian island where the author was born and three about growing old **Sleep it Off Lady** Jean Rhys, 1976 *Telling Stories*, 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research The Collected Short Stories Jean Rhys, 1992 Jean Rhys was one of the twentieth century's foremost writers a literary artist who made exquisite use of the raw material of her own often turbulent life to create fiction of memorable resonance and poignancy Here for the first time in one volume are her complete stories Jean Rhys Juliana Lopoukhine, Frédéric Regard, Kerry-Jane Wallart, 2023-05-29 Jean Rhys position upon the literary map of the 20th century remains unstable even after *Wide Sargasso Sea* 1966 She shunned public exposure and yet desperately sought acknowledgement by her own peers she stood away from the modernist circles of Montparnasse in Paris and yet explored a radically avant garde writing which retrospectively makes her rank among them while her always problematic authority places her in the marginalized position of the postcolonial author Writing precariously in the case of Jean Rhys reaches far beyond a mere posture of submission or a necessity to cope with a lack of money or a room of one's own Rather it becomes an ethical and political stance that engages with forms of minimal resistance to forms of subjection just as the very precariousness of her writing thwarts any efforts to place her or her work to frame her characters or label her style With Jean Rhys precariousness is the site where voices silenced and bodies dismissed by a gendered or imperialistic power may be retrieved until their vulnerability becomes a dislodging force that makes the power structures precarious in turn This book reassesses the precariousness of Jean Rhys as a distinct positionality eliciting an isolated voice which insists and persists It was originally published as a special issue of the journal *Women A Cultural Review* *Sleep it Off, Lady; Short Stories* Jean Rhys, 1976 **Caryl Phillips's Genealogies**, 2023-11-27 Thematically and structurally the work of the Kittitian British writer Caryl Phillips reimagines the notion of genealogy Phillips's fiction drama and non fiction foreground broken filiations and forever deferred promises of new

affiliations in the aftermath of slavery and colonization His texts are also in dialogue with multiple historical figures and literary influences imagining around the life of the African American comedian Bert Williams and the Caribbean writer Jean Rhys or retelling the story of Othello Additionally Phillips s work resonates with that of other writers and visual artists such as Derek Walcott Toni Morrison or Isaac Julien Written to honor the career of renown Phillpsian scholar B n dicte Ledent the contributions to this volume including one by Phillips himself explore the multiple ramifications of genealogy across and beyond Phillips s work *I Used to Live Here Once: The Haunted Life of Jean Rhys* Miranda Seymour,2022-06-28

Enthralling Seymour powerfully evokes the world from which Rhys never really escaped one of prejudice abuse and abuse s shamefaced offspring complicity James Wood The New Yorker An intimate profoundly moving biography of Jean Rhys acclaimed author of *Wide Sargasso Sea* Jean Rhys is one of the most compelling writers of the twentieth century Memories of her Caribbean girlhood haunt the four short and piercingly brilliant novels that Rhys wrote during her extraordinary years as an exile in 1920s Paris and later in England a body of fiction above all the extraordinary *Wide Sargasso Sea* that has a passionate following today And yet her own colorful life including her early years on the Caribbean island of Dominica remains too little explored until now In *I Used to Live Here Once* Miranda Seymour sheds new light on the artist whose proud and fiercely solitary life profoundly informed her writing Rhys experienced tragedy and extreme poverty alcohol and drug dependency romantic and sexual turmoil all of which contributed to the Rhys woman of her oeuvre Today readers still intuitively relate to her unforgettable characters vulnerable watchful and often alarmingly disaster prone outsiders women with a different way of moving through the world And yet while her works often contain autobiographical material Rhys herself was never a victim The figure who emerges for Seymour is cultured self mocking unpredictable and shockingly contemporary Based on new research in the Caribbean a wealth of never before seen papers journals letters and photographs and interviews with those who knew Rhys *I Used to Live Here Once* is a luminous and penetrating portrait of a fascinatingly elusive artist **A Reader's Companion to the Short Story in English** Erin Fallon,R.C. Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31

Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years *Reader s Companion to the Short Story in English* includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory [The Cambridge Introduction to Jean Rhys](#) Elaine Savory,2009-04-02 Since her death in 1979 Jean Rhys s reputation as an important modernist author has grown Her finely crafted prose fiction lends itself to multiple interpretations from radically different

critical perspectives formalism feminism and postcolonial studies among them This Introduction offers a reliable and stimulating account of her life work contexts and critical reception Her masterpiece *Wide Sargasso Sea* is analyzed together with her other novels including *Quartet* and *After Leaving Mr Mackenzie* and her short stories Through close readings of the works Elaine Savory reveals their common themes and connects these to different critical approaches The book maps Rhys s fictional use of the actual geography of Paris London and the Caribbean showing how key understanding her relationships with the metropolitan and colonial spheres is to reading her texts In this invaluable introduction for students Savory explains the significance of Rhys as a writer both in her lifetime and today *Studies in Short Fiction*, 1977 Jean Rhys Elaine Savory, 1998 Jean Rhys has long been central to debates in feminist modernist Caribbean British and postcolonial writing Elaine Savory s study first published in 1999 incorporates and modifies previous critical approaches and is a critical reading of Rhys s entire oeuvre including the stories and autobiography and is informed by Rhys s own manuscripts Designed both for the serious scholar on Rhys and those unfamiliar with her writing Savory s book insists on the importance of a Caribbean centred approach to Rhys and shows how this context profoundly affects her literary style Informed by contemporary arguments on race gender class and nationality Savory explores Rhys s stylistic innovations her use of colours her exploitation of the trope of performance her experiments with creative non fiction and her incorporation of the metaphysical into her texts This study offers a comprehensive account of the life and work of this most complex and enigmatic of writers

A Historical Dictionary of British Women Cathy Hartley, 2003 This reference work brings together biographies of over 1000 notable British women from Boudicca to Barbara Castle offering an engaging record of female achievement spanning 2000 years of British life **Rhys Matters** M. Wilson, K. Johnson, 2013-08-20 Rhys Matters the first collection of essays focusing on Rhys s writing in over twenty years encounters her oeuvre from multiple disciplinary perspectives and appreciates the interventions in modernism postcolonial studies Caribbean studies and women s and gender studies *Jean Rhys* Thomas F Staley, 1979-11-15 England Through Colonial Eyes in Twentieth-Century Fiction A. Blake, L. Gandhi, S. Thomas, 2015-12-27 Much attention has focused on the imperial gaze at colonised peoples cultures and lands But during and after the British Empire what have writers from those cultures made of England the English and issues of race gender class ethnicity and desire when they have travelled expatriated or emigrated to England This question is addressed through studies of the domestic novel and the Bildungsroman and through essays on Mansfield Rhys Stead Emecheta Lessing Naipaul Emecheta Rushdie and Dabydeen World Writers in English Jay Parini, 2004 Provides critical and biographical essays on English writers from parts of the former British Empire *Idle Talk, Deadly Talk* Ana Rodríguez Navas, 2018-10-22 Chaucer called it spiritual manslaughter Barthes and Benjamin deemed it dangerous linguistic nihilism But gossip long derided and dismissed by writers and intellectuals is far from frivolous In *Idle Talk Deadly Talk* Ana Rodríguez Navas reveals gossip to be an urgent utilitarian and deeply political practice a means of staging the narrative tensions and waging the

narrative battles that mark Caribbean politics and culture From the calypso singer s superficially innocent rhymes to the vicious slanders published in Trujillo era gossip columns words have been weapons elevating one person or group at the expense of another Revising the overly gendered existing critical frame Rodr guez Navas argues that gossip is a fundamentally adversarial practice Just as whispers and hearsay corrosively define and surveil identities they also empower writers to skirt sanitized monolithic historical accounts by weaving alternative versions of their nations histories from this self governing discursive material Reading recent fiction from the Hispanic Anglophone and Francophone Caribbean and their diasporas alongside poetry song lyrics journalism memoirs and political essays Idle Talk Deadly Talk maps gossip s place in the Caribbean and reveals its rich possibilities as both literary theme and narrative device As a means for mediating contested narratives both public and private gossip emerges as a vital resource for scholars and writers grappling with the region s troubled history

The Sleep Lady's Good Night, Sleep Tight Kim West, 2020-03-10 The go to guide to getting infants and toddlers to fall and stay asleep completely revised and updated Kim West LCSW C known to her clients as The Sleep Lady has developed an alternative and effective approach to helping children learn to gently put themselves to sleep without letting them cry it out an option that is not comfortable for many parents Essential reading for any tired parent or any expectant parent who wants to avoid the pitfalls of sleeplessness Good Night Sleep Tight offers a practical easy to follow remedy that will work for all families in need of nights of peaceful slumber New material and updates include New yoga recommendations Updated information for parents of young infants Expanded information on nighttime potty training Ending co sleeping Sleep training for twins and multiples
