Sleeping Outside Spotlights:

The Room Outside David Stevens, 2007 Look beyond the back door and discover the outdoor spaces that are waiting to be shaped into natural relaxing extensions of the home Learn how boundaries from low shrubs to metal walls are essential to creating comfortable outdoor spaces and how gardens can achieve the right balance of light and shadow Also included are instructions for building wood and metal archways sleeper steps and a continuously refilling water chute Long Time Coming Tom Buford, 2021-05-18 What exactly are two single women whose age is somewhere north of seventy doing on a westbound Greyhound Life in Morgan Crossroads Alabama is as normal as its residents can make it before the tallest man to ever grace the porch of Brown s General Store shows up on foot He and his dog Spotlight whose parts don t all work exactly right leave after a single night having uncovered a fifty year old secret that will forever transform Morgan Crossroads and its beloved residents most of all Marcella Peabody When Marcella and her life long friend Eva Jo Clomper take off on an unannounced bus ride to Texas with little more than a pile of luggage and Marcella s wish to bring back the past the Morgan Crossroads gossip lines light up Most tales that women in Polly s House of Beauty or men on the front porch of Brown s General Store hear have at least a morsel of truth in them The trick is to figure out which do and which don t Long Time Coming is both a love story and a story of the love that residents of a small rural community can have for each other It is the first book in the Morgan Crossroads series of clean small town and rural fiction from author Tom Buford Long Time Coming was previously published as Then Came Edgar **Course Corrections** Mary Zimmeth Schomaker, 2001-02-07 He made an error Simple as that He misread a navigation chart and set their boat on the wrong course It cost him his life Course Corrections is an unflinching memoir recalling the haunting death of the author s husband of twenty four years and her unmarked path through grief toward recovery She refuses the safe subdued existence in which her entire life would forever be gauged by a single standard before or after his death Rather she embarks on a solitary odyssey willing to risk even greater loneliness reaching toward the future in search of a new beginning Arkansas Hillbilly Carl J. Barger, 2017-01-24 Arkansas Hillbilly is the account of a country boy s experiences growing up in the foothills of the Ozark Mountains in Cleburne County Arkansas The story will make you laugh and cry and it will certainly warm your heart Author Carl J Barger shares his memories of the hard times as well as the good He tells about the struggles of a migrant family of thirteen who survive the Great Depression through hard work and faith He describes his inward drive to rise above poverty succeed as a school administrator and be a good husband father and provider This touching story spans the early 1900s to present day as Barger shares what kept him motivated to achieve his goals and dreams of a better life He details his roles as a husband and the father of one biological child and two adopted children The memoir includes the author s successful search in finding his children s biological parents Barger credits his relationship with God as the number one reason for a life of blessings He considers his story a blessing of God and a story that needed to be told Country Life , 1911 *Country Life in America*
