How to Lose Weight Easily - and Free Yourself from Diets Forever Michael Hadfield, 2012-04-12 If you'd like to know how to lose weight easily naturally and in a way that works with your body rather than against it then this is the book for you. It's about a healthy way to lose weight that is so much simpler than all of those complicated charts and calculations that you have to do when you engage in dieting. The author explores the ways in which diets not only make you fat but are also seriously bad for your health. This book exposes the myths that the Diet Industry perpetuates in order to keep people hooked on dieting. Simple solutions are offered so that attitudes towards food and eating can be easily changed. The focus is on an easy step by step approach for which the author offers a simple 10 step action plan. This leaves the reader in control of their eating and losing weight in a way that is sustainable without the need to ban any specific foods. The author has over 14 years experience in helping people to lose weight. The No Need To Diet Book Pixie Turner, 2019-03-07 Become a diet rebel and make friends with food. Can you remember a time in your life without diets? Without seeing adverts for diets, hearing about diets or being on a diet? Most of us would struggle to imagine it. Our obsession with being healthy has driven us to push our bodies to the absolute limits but still every year we're told how unhealthy we are as a population. Despite a wealth of information at our fingertips we get so much wrong about food and health. The No Need to Diet Book challenges misconceptions about what it is to be healthy and helps us make better friends with food using evidence-based science.
