Small Bird Tell Me Stories Of Greek Immigrants:

Small Bird, Tell Me Helen Papanikolas, 1993 Short fiction on a subject the author has previously explored in nonfiction works Annotation copyright by Book News Inc Portland OR Greek Immigrants Scott Ingram, Robert Asher, 2009 The United States is truly a nation of immigrants or as the poet Walt Whitman once said a nation of nations Spanning the time from when the Europeans first came to the New World to the present day the new Immigration to the United States set conveys the excitement of these stories to young people Beginning with a brief preface to the set written by general editor Robert Asher that discusses some of the broad reasons why people came to the New World both as explorers and settlers each book s narrative highlights the themes people places and events that were important to each immigrant group In an engaging informative manner each volume describes what members of a particular group found when they arrived in the United States as well as where they settled Historical information and background on the various communities present life as it was lived at the time they arrived The books then trace the group s history and current status in the United States Each volume includes photographs and illustrations such as passports and other artifacts of immigration as well as quotes from original source materials Box features highlight special topics or people and each book is rounded out with a glossary timeline further reading list and index

Women in Utah History Patricia Lyn Scott, Linda Thatcher, 2005-11-15 A project of the Utah Women s History Association and cosponsored by the Utah State Historical Society Paradigm or Paradox provides the first thorough survey of the complicated history of all Utah women Some of the finest historians studying Utah examine the spectrum of significant social and cultural topics in the state s history that particularly have involved or affected women

Sweet Greeks Ann Flesor Beck, 2020-10-26 Gus Flesor came to the United States from Greece in 1901 His journey led him to Tuscola Illinois where he learned the confectioner s trade and opened a business that still stands on Main Street Sweet Greeks sets the story of Gus Flesor s life as an immigrant in a small town within the larger history of Greek migration to the Midwest Ann Flesor Beck s charming personal account recreates the atmosphere of her grandfather s candy kitchen with its odors of chocolate and popcorn and the comings and goings of family members The Store represented success while anchoring the business district of Gus s chosen home It also embodied the Midwest migr experience of chain migration immigrant networking resistance and outright threats by local townspeople food related entrepreneurship and tensions over whether later generations would take over the business An engaging blend of family memoir and Midwest history Sweet Greeks tells how Greeks became candy makers to the nation one shop at a time

Contours of White Ethnicity Yiorgos Anagnostou, 2009-11-15 In *Contours of White Ethnicity* Yiorgos Anagnostou explores the construction of ethnic history and reveals how and why white ethnics selectively retain rework or reject their pasts Challenging the tendency to portray Americans of European background as a uniform cultural category the author demonstrates how a generalized view of American white ethnics misses the specific identity issues of particular groups as well as their internal differences

Interdisciplinary in scope *Contours of White Ethnicity* uses the example of Greek America to illustrate how the immigrant past can be used to combat racism and be used to bring about solidarity between white ethnics and racial minorities Illuminating the importance of the past in the construction of ethnic identities today Anagnostou presents the politics of evoking the past to create community affirm identity and nourish reconnection with ancestral roots then identifies the struggles to neutralize oppressive pasts Although it draws from the scholarship on a specific ethnic group *Contours of White Ethnicity* exhibits a sophisticated interdisciplinary methodology which makes it of particular interest to scholars researching ethnicity and race in the United States and for those charting the directions of future research for white ethnicities **A**

Greek Odyssey in the American West Helen Papanikolas, 1997-01-01 A Greek Odyssey in the American West begins with Helen Papanikolas discussing her childhood in Helper Utah Helper s population was as odd a conglomeration as could be found anywhere in the West French shepherders Chinese and Japanese restaurant owners African American Greek and Italian rail and coal workers and finally Mormon Jewish and Slav businessmen settled in and around Helper a way station for the Denver and Rio Grande Western railroad This book however is not Papanikolas s life story but the story of her parent s individual emigrations to the United States their meeting and courtship and their migrations within the West as they pursued job opportunities Papanikolas movingly and eloquently recreates and interprets the experience of parents trying hard to succeed in America without losing their rich heritage and who ultimately enrich the culture of their adopted country

John S. McCormick, John R. Sillito, 1995 *American Book Publishing Record* ,2003 CURRENT CONTENTS ,1996

The Gathering Place John S. McCormick, 2000 Salt Lake City is no ordinary place Its hard gutted individuality as Western historian Dale L Morgan called it gives it a contradictory charm The city has an extraordinary and complicated past full of paradoxes and irresolution about its image This is the story of a frontier outpost founded as a haven for religious refugees that eventually becomes a melting pot for different kinds of people different voices experiences points of view traditions values and ways of life In fact the city has emerged from the crucible of conflict based partly on religion but also on race class distinction and gender The author s goal in his thought provoking overview accented by 125 historical photographs is

not to shift from the feel good emphasis of traditional photo histories but to augment that approach with information about societal change a history of groups and traditions and of the ideas and experiences that have made the city what it is today

Greek-American Review ,2000 The magazine promotes the progress of the Greek American community and the achievements of individual Greek Americans in all fields It focuses on Greek history literature culture the presence and contributions of Greek Americans to the economy and society contemporary issues and relations between the USA and Greece
