politics Moyer wrote in the introduction My intention in writing this book is to bring to light the good the bad and the wacky aspects of San Francisco If you re a conservative of any shade or degree who s planning on visiting or moving to the city or even the Bay Area more generally I m going to be your tour guide on your trip down into the rabbit hole of San Francisco And I m going to show you how to manage to keep your conservative morals intact when surrounded on all sides by the exotic lunacy of this Strangelove like world Moyer provides a conservative insider s perspective into San Francisco in Conservative Survival Guide to San Francisco its people culture politics and what it s really like to be a Mandrake inside the most liberal city in America More importantly he shows conservative readers how he learned to stop worrying and love the city

Conservative Survival Guide to San Francisco is more than just a looking glass into the bipolarities of the cool grey city of love It also takes into account the author s experiences in the most liberal city in America and is meant to show a snapshot into the life of a conservative At turns striking and original this eruditely crafted piece is the ultimate guide to the rabbit hole that is San Francisco
