Teenage Chronicles: My Journey of Self Discovery Saania Saxena,2021-05-31 Feelings fears friendships insecurities passions All of us go through these intense emotional experiences and the start of it all without the

shadow of a doubt is teenagerhood As we start to realize that we are our own person many questions inevitably follow as who we want that person to be and how to get there Saania Saxena the sixteen year old author of Teenage Chronicles My Journey of Self Discovery knows well what she writes about With curiosity a bright analytical mind and the wise humility of someone who knows how much there is to learn from this world regardless of the age one has reached she narrates her first hand life experiences and the consequent lessons she has elaborated and learned sharing them with her readers Philosophy and science are no longer intellectual and abstract concepts but tools to better understand ourselves and ease our journey to self discovery A fresh rich and interesting work between narrative and essay providing at the same time entertainment and suggestions to consider A book recommended not only to teenagers but as well to adults that are still questioning themselves and in need of a fresh and original point of view to improve their self perception Saania Saxena is a sixteen year old teenager who has lived and studied in Singapore India South Africa and the United Arab Emirates As a passionate explorer she has also traveled to more than thirty different countries across the globe She maintains a blog on philosophy and her life learnings with more than 7000 followers When not writing Saania likes to bake grow her flower garden and ride her horse named Jack Teenage Chronicles is her first published work *Transnational Discourses on Class, Gender, and Cultural Identity* Irene Marques, 2012-01-16 This exploration of class feminism and cultural identity including issues of race nation colonialism and economic imperialism focuses on the work of four writers the Mozambican Mia Couto the Portuguese Jos Saramago the Brazilian Clarice Lispector and the South African J M Coetzee In the first section the author discusses the political aspects of Couto s collection of short stories Contos do nascer da terra Stories of the Birth of the Land and Saramago s novel O ano da morte de Ricardo Reis The Year of the Death of Ricardo Reis The second section explores similar themes in Coetzee s Life and Times of Michael K and Lispector s A hora da estrela The Hour of the Star Marques argues that these four writers are political in the sense that they bring to the forefront issues pertaining to the power of literature to represent misrepresent and debate matter related to different subaltern subjects the postcolonial subject the poor subject the poor other and the female subject She also discusses the ahuman other in the context of the subjectivity of the natural world the dead and the unborn and shows how these aspects are present in all the different societies addressed and point to the mystical dimension that permeates most societies With regard to Couto s work this ahuman other is approached mostly through a discussion of the holistic animist values and epistemologies that inform and guide Mozambican traditional societies while in further analyses the notion is approached via discussions on phenomenology elementality and divinity following the philosophies of Levinas and Irigaray and mystical consciousness in Zen Buddhism and the psychology of Jung Human Intellect: Optimal Tuning and Control Yuri Iserlis, 2020-07-22 It is easily can be proved that the human brain equipped sense organs can work as an universal measuring tool and measure with sufficient accuracy after some training not only a distance mass or volume but and parameters of important personal functions Unfortunately this instrument does not have an indicator

device panel and results of measurements usually hidden in the depth of subconscious part of mind To extract these results of measurements at first is needed to find an access code for this information secondly to deduce this information in a convenient for perception form and after that to decipher it Based on this approach a new method of direct measurement of intellectual parameters was used for appraisal such characteristics of intellect and mind as creativity intuition willpower stress level vital energy index etc Verification of the accuracy of measurement of some bio physical parameters measured by the same method for example number of thrombocytes in the blood is carried out by comparison with laboratory blood tests Research and physical measurements of a person s intellectual abilities have shown that they can change significantly from the influence of many external factors and first of all of light electromagnetic and sound perceptions of the senses both for the better and for the worse This allows significantly increasing the capabilities and expanding the range of use of any entrainment technology Using algorithms of multi parameter optimization the method allows increasing the level of intellect and its components in several times practically for everyone Measurement of willpower and stress opens the prospect for many people to maintain their health and activity at the proper level throughout life In the book are collected also some rules and methods allowing to support intellectual abilities of the mind on an optimum level by means of mindset management control of the subconscious mind cognitive control and control emotions Method of measurement of intellectual abilities and compatibility of team members can be used in process of the hiring searching a bride etc

Along the Mirror's Edge Anthony Stones, 2014-07-16 Along The Mirror s Edge is the result of almost fifty years of my

urge to capture in verse various phases of my life and my feelings about those experiences Where that need comes from is a mystery to me but the words on the page and the memories and moments they evoke for me have been and continue to be a source of great comfort and enjoyment Now I offer my poems to share and hope that perhaps others can relate to some of the images there
