Smiling Through Breast Cancer Yvonne Joyce Dunkley, 2013-07 Long before I was afflicted by this dreadful disease breast cancer I had a wonderful childhood I did not know that I grew up poor because I never

defined myself through possessions After graduating from college I married the love of my life my college mate After a year and a half I found myself in situations that I did not want for my life So I left my home and flew to the land of prosperity and gold well so I thought I met my second husband in New York where we got married and had four beautiful girls During this marriage I've come to realize that marriage comes with trials compromising and faith in God I found myself one would say jumping from the frying pan into the fire I had to dig deep within me through sleepless nights heartache tears and God by my side I was able to withstand the outside influences that tangled my feet that prickled my children and ripped my husband's heart Our trials in our marriage stood tall like Mount Everest Through faith in God my family was able to overcome and now we chose to live not just survive and give God the glory Romans 8:28 and we know that in all things God works for the good of those who love him who have been called according to his purpose It was during the time of seeking God because of my trials that I understood Him more Life journey come with worries but if we focus on God explicitly He will take care of you because he cares Thank God for being there with me through the thick and the thin I was crushed but not broken I was rejected but yet precious enough for Jesus to die for me Breast cancer marked for death but Jesus gave me a second chance Now I endeavor to use that same knot in the bottom of my belly for over twenty years that prepared me for breast cancer to use for the good of mankind I chose to live laugh smile and stay happy while the storms of life pass through Trouble will come but the way I chose to react will determine the outcome The waves of life that I can change I will use them for the advancement of society and improvement of my relationship with God Please rely on God with all your heart and soul and you will find that peace that passes all understanding I would like to share with you my readers my favorite bible scripture the one that soothes my heart in my worst fear Isaiah 41:10 so do not fear for I am with you do not be dismayed for I am your God I will strengthen you and help you I will uphold you with my righteous right hand I am writing this paragraph with a huge smile and happy heart because I have experienced him for myself Why not try him today Rocking the Pink Laura Roppé, 2012-02-28 In 2008 just as Laura Ropp was poised to burst onto the music scene her doctor called her with news that left her spinning she had been diagnosed with an extremely aggressive form of breast cancer Just days earlier she had signed a dream come true contract with a record label now she wasn't even sure how much longer she had to live Never one to back down to a challenge however Ropp gathered her courage took stock of her priorities and made a decision Cancer may take my hair she told herself but that's all it's getting More than a cancer journey Rocking the Pink is a quirky charming and poignant ode to love friendship and music Ropp is unflinchingly honest and unfailingly funny as she tells the story of her odyssey from childhood dreamer and giddy valet parker to the Hollywood stars to disillusioned lawyer wife and mother from budding songwriter and late blooming recording artist to determined cancer survivor Full of raw emotion and humor that will make you laugh through your tears Rocking the Pink is a chronicle of discovering one's true self through life's difficult circumstances and a testament to the hang in tough take no prisoners attitude it takes to kick cancer's butt Celebrating
