Dragon is considered a breakthrough in the literary history of modern Arabic fiction **Sadika's Way** Hina Haq,2004-05-01 The clock had started ticking for Sadika from the day she was born into her traditional Pakistani village family She must be married off to somebody while she is still a teenager or she will be considered a hopeless failure Carefully planned marriages are a long tradition in Pakistan as they are throughout South Asia where women have little social status and fewer individual rights and much of their value is measured by how good of a marriage can be arranged for them Sadika must be married off first because she is the eldest of three daughters It would be a disgrace an indelible stigma if a younger daughter was married first The enormous tension that accompanies this ancient ritual makes Sadika s Way at once a very funny and instructive work of fiction we watch as mothers vie with each other on their daughters behalf for the affections of the most eligible males We see them in their homes and listen to their conversations as they boast to each other about their daughters qualities real and imagined The infighting gets intense even downright nasty all fed by the desperation that grows quite naturally out of a system that literally holds the fate of women in its hands Sadika s coming of age and final journey to a new life involve culture clashes and family characters worthy of a modern South Asian Jane Austen This is a social comedy with serious undertones and a rare novel of manners which spans the world in both time and space *Sweet Second Chances Books 1-3* Meg Osborne,2024 Three Retellings of Jane Austen s Persuasion A Second Chance in Somerset When Anne Elliot goes to stay with her sister and brother in law at Uppercross little does she realise that she s been the subject of discussion between Charles and Mary who have both decided to spend the winter finding Anne a suitable husband Neither know her heart was lost long ago Captain Frederick Wentworth is happy to stay with his sister at Kellynch Hall if Anne Elliot is gone although being back in Somerset torments him with memories he d thought long forgotten When he meets Anne again he is determined to leave the past in the past but Charles and Mary Musgrove have other ideas A New Life in London When Sir Walter Elliot dies his two unmarried daughters are swiftly and unceremoniously evicted from Kellynch by their cousin Taking refuge in London they settle the last of their father s affairs while taking heed to their own Elizabeth Elliot is determined to marry well and will make every use of this last chance she has for herself and when Anne is not suitably concerned with her own future for her sister too Fate sees fit to help her by causing a handsome figure from Anne s past to cross their paths again A Reunion in Bath Anne Elliot reunites with her family eager to put her past behind her where it belongs Her future may not be happy but at least it is predictable and her present is vastly improved by a growing friendship with her father s cousin the amiable Mr Elliot Free of obligations Captain Frederick Wentworth arrives in Bath unsure what his future holds Seeing Anne again convinces him there is none for him but her but is he too late **The Hermit** Emilie Flygare-Carlñ,1853

Asian Homosexuality Wayne R. Dynes,Stephen Donaldson,1992 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Execution** Geoffrey Abbott,2006-04-04 In his own darkly humorous style Geoffrey Abbott describes the instruments used and their effectiveness and reveals the macabre origins of familiar phrases such as

gone west or drawn a blank as well as the jargon of the underworld He covers everything from the preparation of the victim to the disposal of the body Execution is everything you ever wanted to know about the ultimate penalty and a lot you never thought to ask It includes such hair raising categories as Cave of Roses A rare Swedish method of execution in which the victim was confined to a cave full of snakes and poisonous reptiles Bastinado Involved the victim being caned gently and rhythmically with a lightweight stick on the soles of the feet until the mental collapse and eventual death of the victim Sewn in an Animal s Belly A living person is sewn into the belly of an animal and left to die The Spanish Donkey This method of torture consisted of seating a victim on top of a wall that resembled an inverted v with weights attached to the ankles the weights slowly increased until the victim s body split in two Iron Chair The victim is tied to an iron armchair and pushed nearer and nearer to a blazing fire Sawn in Half Victims are secured in a standing position pinned between two wide boards fixed between a stake driven deep into the ground while two executioners one on each side would wield a long two handled saw downwards through the boards Execution is a unique fascinating look at the grim and gritty history of sanctioned death

Vampires, Gators, and Wackos Fran Stanfield,2022-03-29 Teens savagely murder a couple in the name of their vampire cult A sex starved teacher cannot get enough of her young male student The case of a missing child keeps cops awake at night for years after his confounding disappearance During his decades long crime coverage in Central Florida journalist Frank Stanfield covered every atrocity that man or nature could unleash Vampires Gators and Wackos A Florida Newspaperman s Life recounts some of the frequently craven and at times downright stupid crimes Stanfield covered during his time in the field He somehow made it through without winding up more mental than the crackpots he tracked However his unvarnished no holds barred account of news events reveals just how crazy making a case can be when you are dead set on nailing the truth Here s a tip for young reporters Don t beat the cops to a homicide Crowds at murder scenes are sometimes wildly angry drunk high confused and looking at a face that is decidedly out of place in their neighborhood In those days we wore nice clothes even ties if not jackets to a crime scene Who are you they asked figuring I must be a cop because surely no sane person would show up unarmed in the middle of a melee Frank Stanfield **THE CABIN NO.13**

The Smugglers Charles George Harper,1909 Opinions have ever been divided on the question of the morality or the immorality of smuggling This is not in itself remarkable since that subject on which all men think alike has not yet been discovered but whatever the views held upon the question of the rights and wrongs of the free traders craft they have long since died down into abstract academic discussion Smuggling is indeed not dead but it is not the potent factor it once was and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods

will not again become a living question in this country until the impending Tariff Reform becomes law There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection but as a sheer matter of fact there are in these pages no studied arguments either way and facts are here presented just as they are retrieved from half forgotten records with no other ulterior object than that of entertainment But if these pages also serve to show with what little wisdom p viwe are and generally have been governed they may not be without their uses England it may surely be gathered here and elsewhere is what she is by sheer force of dogged middle class character and in spite of her statesmen and lawgivers
