

Basic Analysis	The asset Cash increases \$1,200, and stockholders' equity increases \$1,200 due to Service Revenue.									
Equation Analysis	Assets			=	Liabilities	+	Stockholders' Equity			
	Cash	+ Supplies	+ Equipment	=	Accounts Payable	+	Common Stock	+ Retained Earnings		
								Rev.	- Exp.	- Div.
	\$8,000	\$1,600	\$7,000		\$1,600		\$15,000			
	(4) +1,200							+ \$1,200		Service Revenue
	\$9,200	+ \$1,600	+ \$7,000	=	\$1,600	+ \$15,000	+ \$1,200			
	\$17,800				\$17,800					

The two sides of the equation balance at \$17,800. Service Revenue is included in determining Softbyte's net income.

Note that we do not have room to give details for each individual revenue and expense account in this illustration. Thus, revenues (and expenses when we get to them) are summarized under one column heading for Revenues and one for Expenses. However, it is important to keep track of the category (account) titles affected (e.g., Service Revenue) as they will be needed when we prepare financial statements later in the chapter.

TRANSACTION 5. PURCHASE OF ADVERTISING ON CREDIT Softbyte Inc. receives a bill for \$250 from the *Daily News* for advertising but postpones payment until a later date. This transaction results in an increase in liabilities and a decrease in stockholders' equity.

Basic Analysis	The liability Accounts Payable increases \$250, and stockholders' equity decreases \$250 due to Advertising Expense.									
Equation Analysis	Assets			=	Liabilities	+	Stockholders' Equity			
	Cash	+ Supplies	+ Equipment	=	Accounts Payable	+	Common Stock	+ Retained Earnings		
								Rev.	- Exp.	- Div.
	\$9,200	\$1,600	\$7,000		\$1,600		\$15,000	\$1,200		
	(5)				+250				- \$250	Advertising Expense
	\$9,200	+ \$1,600	+ \$7,000	=	\$1,850	+ \$15,000	+ \$1,200	- \$250		
	\$17,800				\$17,800					

The two sides of the equation still balance at \$17,800. Retained Earnings decreases when Softbyte incurs the expense. Expenses do not have to be paid in cash at the time they are incurred. When Softbyte pays at a later date, the liability Accounts Payable will decrease and the asset Cash will decrease (see Transaction 8). The cost of advertising is an expense (rather than an asset) because Softbyte has used the benefits. Advertising Expense is included in determining net income.

TRANSACTION 6. SERVICES PERFORMED FOR CASH AND CREDIT Softbyte Inc. performs \$3,500 of programming services for customers. The company receives cash of \$1,500 from customers, and it bills the balance of \$2,000 on account. This transaction results in an equal increase in assets and stockholders' equity.

Ssm T A Financial Accounting 9e

**Mark A. Clatworthy, Juan Manuel
García Lara, Edward Lee**

Ssm T A Financial Accounting 9e:

Strategizing Management Accounting Chandana Alawattage, Danture Wickramasinghe, 2018-08-30 The theory and practice of management accounting should be seen within the context of varieties of global capitalism to appreciate its role as a calculative technology of capitalism which is practiced on factory floors corporate boards computer networks spreadsheets and so forth This new textbook is the first to introduce the field from a rounded social science perspective Strategizing Management Accounting offers a theoretical discussion on management accounting's strategic orientation by accommodating two interrelated lines of analyses from historical and contemporary perspectives The book illustrates how new management accounting has evolved into the form in which it exists today in its neoliberal context and how those new management accounting practices have become manifestos for the managers as calculative technologies of decision making performance management control corporate governance as well as global governance and development within various forms of organizations across the globe Each chapter draws on Foucauldian analysis of biopolitics explaining how neoliberal market logic informs a set of strategies and mechanisms through which various social entities and discourses are made governable by considering them as biopolitical entities of global governance Written by two recognized accounting experts this book is vital reading for all students of management accounting and will also be a useful supplementary resource for those wanting to understand and research accounting's vital role in contemporary society Accounting and Auditing in China Mark A. Clatworthy, Juan Manuel García Lara, Edward Lee, 2025-02-12 This book is a curated compilation of research articles exploring compelling issues associated with accounting and auditing in China China is one of the leading emerging countries in the world It has experienced rapid growth over the past few decades and plays a key role in the global economy Accounting information contributes to China's economic development by facilitating the engagement of firms with investors governmental agencies and other stakeholders Given the changing regulatory and economic landscape in China the experiences and challenges of Chinese accounting and auditing offer useful insights to academics practitioners and policymakers around the world Against this backdrop there is an increasingly large and continuously growing academic literature on China related accounting and auditing The chapters in this volume showcase how accounting information relates to a wide spectrum of important issues including carbon emissions international trade and the supply chain It also considers the development of the audit market in China and highlights important future directions for accounting researchers interested in China related studies This book will be relevant for students and professionals of accounting auditing finance and international business It will be particularly useful for researchers policymakers and practitioners seeking to understand the nuances of China's financial practices and their broader implications The chapters in this book were originally published in Accounting and Business Research *Corporate Governance and Financial Reporting: Mechanisms of governance relevant to financial reporting* Niamh Brennan, 2008 The Commercial and Financial Chronicle
